Cunt-ups Oct 09 2021 Poetry. Women's Studies. LGBTQIA Studies. Dodie Bellamy's CUNT-UPS--first published in 2001 and recipient of the Firecracker Award for Innovative Poetry--was immediately a controversial and celebrated work. Using the "cut-up" technique of William S. Burroughs, CUNT-UPS is a work of sex magick, based on source texts from old lovers and Jeffery Dahmer transcriptions. The resulting spell queers everything around it. Enjoy!

**Anything for a Hit Feb 01 2021** Dorothy Carvello knows all about the music biz. She was the first female A&R executive at Atlantic Records, and one of the few in the room at RCA and Columbia. But before that, she was secretary to Ahmet Ertegun, Atlantic's infamous president, who signed acts like Aretha Franklin and Led Zeppelin, negotiated distribution deals with Mick Jagger, and added Neil Young to Crosby, Stills & Nash. The stories she tells about the kingmakers of the music biz are outrageous, but it is her sinuous friendship with Ahmet that frames her narrative. He was notoriously abusive, sexually harassing Dorothy on a daily basis. Carvello reveals here how she flipped the script and showed Ertegun and every other man who tried to control her that a woman can be just as willing to do what it takes to get a hit. Never-before-heard stories about artists like Michael Jackson, Madonna, Steven Tyler, Bon Jovi, INXS, Marc Anthony, and many more make this book a must-read for anyone looking for the real stories on what it takes for a woman to make it in a male-dominated industry.

Cunt Norton May 24 2020 Poetry. LGBT Studies. Women's Studies. In CUNT NORTON, the sequel to her unforgettable CUNT UPS, Dodie Bellamy "cunts" The Norton Anthology of Poetry (1975 edition), setting her text-ravenous cut-ups loose to devour the canonical voices of English literature. The texts that emerge from this sexual-linguistic encounter are monstrous, beautiful, unashamed: 33 erotic love poems ("the greatest fuck poem in the English language," according to Ariana Reines) that lust after the very aesthetic they resist. "These patriarchal voices that threatened to erase me of course I love them as well," Bellamy writes. Even as CUNT NORTON dismembers the history of English poetry, "cunting" Chaucer and Shakespeare, Emerson and Lowell, it simultaneously allows new sexual members to arise and fill in the gaps, transforming the secret into the explicit, the classically beautiful into the wonderfully grotesque. Bellamy's cunted texts breathe life into literary "masters" with joy, honesty, hilarity, and insatiable passion. "I think this could be the most joyful book on Earth." Ariana Reines"

**Feckless Cunt Jan 12 2022** Samantha Bee said a bad word! The worst word. She was scolded by the same pundits and politicians who helped lower the bar to the dirt for acceptable Presidential behavior. Donald Trump tweeted that Bee should be fired for her "horrible" language. It was not that this moment of hypocrisy was worse than all the others. But it was a moment of ENOUGH. The 55 pieces of poetry and short prose gathered in *Feckless Cunt: A Feminist Anthology* offer a powerful, multifaceted response: how it is to live in our time, in this sexist culture. *Feckless Cunt* is about what we carry and will now set down, what we've held off saying but want you to know. Cunt Jan 24 2023 An ancient title of respect for women, the word "cunt" long ago veered off this noble path. Inga Muscio traces the road from honor to expletive, giving women the motivation and tools to claim "cunt" as a positive and powerful force in their lives. With humor and candor, she shares her own history as she explores the cultural forces that influence women's relationships with their bodies. Sending out a call for every woman to be the Cuntlovin' Ruler of Her Sexual Universe, Muscio stands convention on its head by embracing all things cunt-related. This updated edition features a new foreword by Betty Dodson, an introduction by Derrick Jensen, a new afterword by the author and an updated and expanded resource section.

The Young Girl's Handbook of Good Manners Sep 27 2020 A bestselling author in his time, Pierre Louÿs (1870-1925) was a friend of, and influence on, André Gide, Paul Valéry, Oscar Wilde and Stephane Mallarmé among others. He achieved instant notoriety with *Aphrodite* and *The Songs of Bilitis*, but it was only after his death that Louÿs' true legacy was to be discovered: nearly 900 pounds of erotic manuscripts were found in his home, all of them immediately scattered among collectors and many subsequently lost. Since then, it has become clear that Louÿs is the greatest French writer of erotica there ever was. *The Young Girl's Handbook of Good Manners* was the first of his erotic manuscripts to see publication, and it also remains his most outrageous--an erotic classic in which humor takes precedence over arousal. By means of shockingly filthy advice--ostensibly offered "for use in educational establishments"--couched in a hilariously parodic admonitory tone, Louÿs turns late-nineteenth-century manners roundly on their head, with ass prominently skyward. Whether offering rules for etiquette in church, school or home, or outlining a girl's duties toward family, neighbor or God, Louÿs manages to mock every institution and leave no taboo unsullied. *The Young Girl's Handbook of Good Manners* has only grown more scandalous and subversive since its first appearance in 1926.
