Actress Drew Barrymore shares funny, insightful, and profound stories from her past and present—told from the place of happiness she's achieved today—in this heart-stirring New York Times bestseller that InStyle called “deeply thoughtful and fun.” Wildflower is a portrait of Drew's life in stories as she looks back on the adventures, challenges, and incredible experiences she's had throughout her life. It includes tales of living in her first apartment as a teenager (and how laundry may have saved her life), getting stuck under a gas station overhang on a cross-country road trip, saying good-bye to her father in a way only he could have understood, and many more journeys and lessons that have led her to the successful, happy, and healthy place she is today. In New York Times bestselling author Emma Chase's sizzling and hilarious debut novel, Drew Evans—gorgeous, arrogant, irreverent, and irresistibly charming—meets his match in new colleague Kate Brooks. When rich, handsome, and arrogant meets beautiful, brilliant, and ambitious, things are bound to get tangled... Drew Evans makes multimillion-dollar business deals and seduces New York's most beautiful women with just a smile. So why has he been shuttered in his apartment for seven days, miserable and depressed? He'll tell you he has the flu, but we all know that's not really true. When Katherine Brooks is hired as the new associate at Drew's father's investment banking firm, every aspect of

the dashing playboy's life is thrown into a tailspin. The professional competition she brings is unnerving, his attraction to her is distracting, his failure to entice her into his bed is exasperating. How can one woman turn a smooth-talking player into a broken, desperate man? By making the one thing he never wanted in life the only thing he can't live without. "Daphne Kalotay captivates in a soaring debut novel. An elegant, compelling puzzle of family, memory and solitude that brings to life modern-day Boston and postwar Russia through a profound love story. Graceful, moving, and unexpected." —Matthew Pearl, New York Times bestselling author of *The Dante Club* In *Russian Winter*, the beautiful debut novel by critically acclaimed writer Daphne Kalotay, a famed ballerina's jewelry auction in Boston reveals long-held secrets of love and family, friendship and rivalry, harkening back to Stalinist Russia. Called "tender, passionate, and moving" by Jenna Blum, the New York Times bestselling author of *Those Who Save Us*, *Russian Winter* is a perfect choice for fans of the novels of Debra Dean (*The Madonnas of Leningrad*), Ann Patchett (*Bel Canto*), and Ian McEwan (*Atonement*). Breakout sensation Monica Murphy takes the romance genre by storm with the deeply emotional, completely addicting story of *Drew and Fable*. Temporary. That's the word I'd use to describe my life right now. I'm temporarily working double shifts—at least until I can break free. I'm temporarily raising my little brother—since apparently our actual mother doesn't give a crap about either of us. And I always end up as nothing but the temporary girlfriend—the flavor of the week for every guy who's heard the rumor that I give it up so easily. At least Drew Callahan, college football legend and local golden boy, is upfront about it. He needs someone to play the part of his girlfriend for one week. In exchange for cash. As if that's not weird enough, ever since he brought me into his world, nothing really makes sense. Everyone hates me. Everyone wants something from him. And yet the only thing Drew seems to want is . . . me. I don't know what to believe anymore. Drew is sweet, sexy, and hiding way more secrets than I am. All I know is, I want to be there for him—permanently. Praise for *One Week Girlfriend* "A sweet and sexy read with a dash of angst. It will hook you from page one!"—*Under the Covers* "The author had me hooked within the opening pages. What a great debut novel by Monica Murphy! . . . All I have to say is pick up the book and be prepared for the roller coaster you are about to get on. . . . You will not want to miss this book and this author."—*Shh Moms Reading* "I chose this book to be the book. The perfect book that would make the world stop for a few hours and suck me into another universe completely. The perfect book that would make my heart race and stop all at the same time. This book is that book! This book is perfect!"—*The Obsessive Reader* "A deep and thought provoking story . . . Be on the lookout for Monica Murphy because I'm sure you'll be hearing more great things from her!"—*Mostly YA Book Obsessed* "A delicious read, hot romance, complicated characters and intense drama."—*Literary Cravings* "An emotional and heartbreaking storyline . . . Monica Murphy pulls the reader in and won't let go."—*The Reading Cafe* "An amazing read! . . . [I] can't wait to continue the emotional journey of *Drew and Fable*."—*A Bookish Escape* NATIONAL BESTSELLER WALL STREET JOURNAL BESTSELLER LOS ANGELES TIMES BESTSELLER TORONTO STAR BESTSELLER Based on his TEDx talk "Everyday Leadership (the Lollipop Moment)"--voted one of the 15 most inspirational TED talks of all time--*This Is Day One* is

leadership expert Drew Dudley's guide to cultivating the behaviors that will help you to succeed and empower those around you. If you're intimidated by the mystique surrounding leadership, this book is for you. Dudley simplifies leadership without denying its complexity, demonstrating that leadership in all its forms begins at the same clear and accessible place for everyone: what he calls "Day One." Day One is when you discover, define, and start to consistently deliver on your foundational leadership values. Living that day over and over is what creates leaders, and Dudley provides the key tools necessary to craft and commit to your own personal Day One, including: A step-by-step process designed to surface your core leadership values and embed them into your daily behavior A roadmap to behavioral changes proven to increase commitment, pride, productivity, and happiness Insights into key leadership values that drive performance and impact Sharing the process that led him through battles with alcohol, obesity, and personal tragedy, Dudley shows you how to develop a relentless commitment to the daily behaviors that will make you a better executive, coach, or teacher, and how you can inspire others to do the same. Most of the leadership on the planet comes from people who don't see themselves as leaders. This Is Day One shows you how to start changing that. Through the insights of leaders of all types--CEOs, elite athletes, cab drivers, custodians, and everyone in between--Dudley helps you understand what your Day One needs to look like, reminds you why you're a leader, and makes clear what you can do about it--starting today, on Day One.

Luke When my lifelong best friend asked me if his little sister could crash at my place until she got her feet under her in LA, of course I said yes. I'd do anything for Drew. But I was not prepared for the vixen that showed up at my door looking NOTHING like the girl I remember. Now, I'm falling for the one woman who's completely off-limits to me. I'm trying to behave, I really am, but the longer she stays here, the more tempted I am to take her and make her mine. Emma I've been desperately in love with Luke Carter for most of my life, but he only ever looked at me like Drew's adorkable little sister. To be fair, I was. But I'm not that awkward girl anymore. Now, I'm a woman on a mission - not just to make my dreams of becoming a singer come true, but also to make Luke Carter see what's been right in front of him this whole time. But the closer we get, and the harder I fall, the more I wonder if he'll ever be able to choose me over his loyalty to my brother.

Taking the Handoff is a steamy standalone sports romance. It is book four in the LA Wolves series. WARNING: This book contains a scene with sexual assault. Read at your own discretion. A forgotten Haudenosaunee social song beams into the cosmos like a homing beacon for interstellar visitors. A computer learns to feel sadness and grief from the history of atrocities committed against First Nations. A young Native man discovers the secret to time travel in ancient petroglyphs. Drawing inspiration from science fiction legends like Arthur C. Clarke, Isaac Asimov and Ray Bradbury, Drew Hayden Taylor frames classic science-fiction tropes in an Aboriginal perspective. The nine stories in this collection span all traditional topics of science fiction--from peaceful aliens to hostile invaders; from space travel to time travel; from government conspiracies to connections across generations. Yet Taylor's First Nations perspective draws fresh parallels, likening the cultural implications of alien contact to those of the arrival of Europeans in the Americas, or highlighting the impossibility of remaining a "good Native" in such an unnatural situation as a space mission. Infused

with Native stories and variously mysterious, magical and humorous, *Take Us to Your Chief* is the perfect mesh of nostalgically 1950s-esque science fiction with modern First Nations discourse. “A groundbreaking work about race and the American landscape, and a deep meditation on nature...wise and beautiful.”—Helen Macdonald, author of *H is for Hawk* *A Foreword Reviews Best Book of the Year* and *Nautilus Silver Award Winner* In me, there is the red of miry clay, the brown of spring floods, the gold of ripening tobacco. All of these hues are me; I am, in the deepest sense, colored. Dating back to slavery, Edgefield County, South Carolina—a place “easy to pass by on the way somewhere else”—has been home to generations of Lanhams. In *The Home Place*, readers meet these extraordinary people, including Drew himself, who over the course of the 1970s falls in love with the natural world around him. As his passion takes flight, however, he begins to ask what it means to be “the rare bird, the oddity.” By turns angry, funny, elegiac, and heartbreaking, *The Home Place* is a meditation on nature and belonging by an ornithologist and professor of ecology, at once a deeply moving memoir and riveting exploration of the contradictions of black identity in the rural South—and in America today. “When you’re done with *The Home Place*, it won’t be done with you. Its wonders will linger like everything luminous.”—*Star Tribune* “A lyrical story about the power of the wild...synthesizes his own family history, geography, nature, and race into a compelling argument for conservation and resilience.”—*National Geographic* Abby My heart races, palms sweat and knees go weak. I’ve never seen anyone like Drew in a science lab. He’s made me a firm believer in chemistry existing outside a textbook. Until his ego shows up. Nope - No thank you. Moving on. I mean... who has an entourage in college? When our professor announces we’ll be stuck as lab partners, I nearly lose my mind - I’m certain my dreams of becoming a doctor will go up in smoke with a distraction like him around. Drew I don’t date during the season. The number of trolls who venture into the arena simply to chase jerseys is unbelievable. In fact, I typically distance myself from the social side of being a college athlete because I have my eye on something bigger than our next D-I championship. I’ve taken painstaking measures to avoid distractions - at all costs. This plan has worked perfectly until Abby shows up at my door. Gone is the plain studious girl I left in lab the day before. Left in her place is the intriguing woman I want to know better. Here I thought she wouldn’t be a distraction - yeah right... I am so screwed. Abby’s gorgeous and there’s nothing plain about her. I am this close to having it all. If I let Abby in, will my perfectly laid out plans disappear? “A literary experience unlike any I’ve had in recent memory . . . a blueprint for this moment and the next, for where Black folks have been and where they might be going.”—*The New York Times Book Review* (Editors’ Choice) What does it mean to be Black and alive right now? Kimberly Drew and Jenna Wortham have brought together this collection of work—images, photos, essays, memes, dialogues, recipes, tweets, poetry, and more—to tell the story of the radical, imaginative, provocative, and gorgeous world that Black creators are bringing forth today. The book presents a succession of startling and beautiful pieces that generate an entrancing rhythm: Readers will go from conversations with activists and academics to memes and Instagram posts, from powerful essays to dazzling paintings and insightful infographics. In answering the question of what it means to be Black and alive, *Black Futures* opens a prismatic vision of

possibility for every reader. You don't need to read the series to enjoy this story. But if you're already a Jesse Ward fan, just wait until you see the advice he gives Drew about falling in love. I thought I had control. I was so, so wrong... I don't need a relationship. I have Hux, a decadent club where I quench whatever raw desire I choose. I take pleasure and I give it - no strings attached. So when Raya Rivers comes in asking for someone cold, emotionless, and filthy... well, no man ever takes his wicked pleasure quite the way I do. Only Raya is different. Vulnerable. And carrying some deep sorrow that gets past all my carefully constructed walls and inexplicably makes me care. Now craving controls me. Ice has given way to red-hot need. But Raya has no idea about my other life - my real life. That I'm daddy to an adorable little girl. My two worlds are about to collide with the force of a supernova. Once Raya knows the truth, will she be able to accept all I am? "THE STUNNING CONCLUSION TO THE THIS MAN TRILOGY IS A #1 NEW YORK TIMES BESTSELLER! The Manor, the very place where their passionate love affair began, fills with guests on what should be the happiest day of Ava and Jesse's lives. She has accepted that she'll never tame the fierceness in Jesse-and she doesn't want to. Their love is profound, their connection powerful, but just when she thinks that she's finally gotten beneath his guarded exterior, more questions arise, leading Ava to believe that Jesse Ward may not be the man she thinks he is. He knows too well how to take her to a place beyond ecstasy. but will he also drive her to the brink of despair? It's time for this man to confess"-- A Deadspin columnist presents a heartfelt account about the ups and downs of raising a family in modern America that shares brutally honest insights into the coping mechanisms employed by today's parents, in a memoir that also shares his positive views on the strengths of American parenting. NATIONAL BESTSELLER • NATIONAL BOOK AWARD FINALIST • An "extraordinary ... profoundly moving" history of the American Civil War that reveals the ways that death on such a scale changed not only individual lives but the life of the nation. More than 600,000 soldiers lost their lives in the American Civil War. An equivalent proportion of today's population would be six million. In This Republic of Suffering, Drew Gilpin Faust describes how the survivors managed on a practical level and how a deeply religious culture struggled to reconcile the unprecedented carnage with its belief in a benevolent God. Throughout, the voices of soldiers and their families, of statesmen, generals, preachers, poets, surgeons, nurses, northerners and southerners come together to give us a vivid understanding of the Civil War's most fundamental and widely shared reality. She was a modern-day Shirley Temple, but at the age of nine Drew Barrymore was drinking alcohol. At ten she took up marijuana, and by twelve she began snorting cocaine. Here is her gripping, heart-wrenching story--a story of a childhood gone awry and a young woman battling to restore order to her chaotic life. VEINS is a tragicomedy novel about 22 years of a man's life in the middle of Ohio. The first novel by Drew, writer of the long-running comics Toothpaste For Dinner and Married To The Sea. Dark, weird, and funny. "For my whole life I've had 0 friends or 1 friend, which sounds sad. But in binary, that's all of them.""Sandpaper is like life. If it wasn't rough, it wouldn't be worth anything." This collection of essays focuses on the girl sleuth, made famous by Nancy Drew but also characterized by other famous detectives like Cherry Ames, Trixie Belden, Linda Carlton, and even in contemporary media by Veronica Mars and Hermione Granger of the

Harry Potter series. Topics include the disputed origins of Nancy Drew and the Stratemeyer Syndicate; the intertwined relationships between the Syndicate and Nancy Drew's many ghostwriters; the distinct and evolving textual identities of the Cherry Ames series; the adaptation of the traditional archetype by contemporary girl detectives like Veronica Mars, Lulu Dark, and Ingrid Levin-Hill; and the ways in which Harry Potter's Hermione Granger, while a central character in the series, is often at odds with the male-centric, fantasy-genre world of Harry Potter himself. Instructors considering this book for use in a course may request an examination copy here. "I'm Outta Here! How coworking is making the office obsolete" is a book about the people and places that make up a work place revolution. From a single space in San Francisco at the beginning of 2006, coworking has grown to over 70 spaces worldwide at the end of 2008, with more appearing almost daily. Read the book and you'll see why so many talented workers have turned their backs to the office and said, "I'm outta here!" The hilarious, colorful #1 New York Times bestselling phenomenon that every kid wants! Gift a copy to someone you love today. Poor Duncan just wants to color. But when he opens his box of crayons, he finds only letters, all saying the same thing: His crayons have had enough! They quit! Blue crayon needs a break from coloring all those bodies of water. Black crayon wants to be used for more than just outlining. And Orange and Yellow are no longer speaking—each believes he is the true color of the sun. What can Duncan possibly do to appease all of the crayons and get them back to doing what they do best? With giggle-inducing text from Drew Daywalt and bold and bright illustrations from Oliver Jeffers, *The Day the Crayons Quit* is the perfect gift for new parents, baby showers, back-to-school, or any time of year! Perfect for fans of *Don't Let the Pigeon Drive the Bus* by Mo Willems and *The True Story of the Three Little Pigs* by Jon Scieszka and Lane Smith. Praise for *The Day the Crayons Quit*: Amazon's 2013 Best Picture Book of the Year A Barnes & Noble Best Book of 2013 Goodreads' 2013 Best Picture Book of the Year Winner of the E.B. White Read-Aloud Award * "Hilarious . . . Move over, Click, Clack, Moo; we've got a new contender for the most successful picture-book strike." –BCCB, starred review "Jeffers . . . elevates crayon drawing to remarkable heights." –Booklist "Fresh and funny." –The Wall Street Journal "This book will have children asking to have it read again and again." –Library Media Connection * "This colorful title should make for an uproarious storytime." –School Library Journal, starred review * "These memorable personalities will leave readers glancing apprehensively at their own crayon boxes." –Publishers Weekly, starred review "Utterly original." –San Francisco Chronicle Vols. for 1847/48-1872/73 include cases decided in the Teind Court; 1847/48-1858/59 include cases decided in the Court of Exchequer; 1850/51- included cases decided in the House of Lords; 1873/74- include cases decided in the Court of Justiciary.
