The Success International series offers a

practical approach to language learning and support. Success International English Skills for Cambridge IGCSE® Workbook is designed to give students further practise and support when studying for the Cambridge IGCSE® in English as a Second Language. The Workbook consolidates and tests the understanding of the language and themes in the Student's Book, supporting students both in the classroom and in individual study. The Workbook offers a wide range of stimulating and challenging exercises, including work on vocabulary development, spelling, punctuation, tone, register, writing style, grammar and comprehension. Answers to both the Student's Book and the Workbook are available in the Teacher's Book. Cambridge IGCSE Development Studies has been specially written for Cambridge IGCSE Development Studies Syllabus (0453). Written in a clear and accessible style, the book offers comprehensive coverage with an international perspective and in-depth analysis of all topics. Designed for class use and independent study, the book equips students with the skills needed to succeed in examination. Offers complete in-depth preparation for the Cambridge IGCSE® in English as a Second Language examination.

*Endorsed by Cambridge, this Workbook is an invaluable component of the course and offers a wide variety of stimulating practice material. It supports and builds on the coverage of the Student's book and develops the same unit themes. It can also be used effectively without reference to the course. The exercises are suitable for classroom use or homework. Answers to the Workbook exercises are provided in the Teachers book. Endorsed by University of Cambridge International Examinations.*

*Written for the Cambridge International Examinations syllabus, Cambridge IGCSE India Studies adopts an enquiry based approach with a strong focus on investigating and analysing the emergence of contemporary India. In the process, it promotes the development of core skills and ways of thinking critically that are essential to succeed in secondary and higher education and all professional areas. This will encourage students to be creative, innovative, enterprising and independent.*

*Exam board: Cambridge Assessment*

*International General Certificate of Secondary Education is based examination similar to GCSE and is recognized in the UK as being equivalent to the GCSE for the purposes of recognizing prior attainment. It was developed by University of Cambridge International Examinations. Cambridge programmes and qualifications set the global standard for international education. They are created by subject experts, rooted in academic rigour and reflect the latest educational research. There are 3 levels for Cambridge IGCSE Chinese: Cambridge IGCSE Chinese - First Language (0509), similar to A Level (Edexcel GCSE), HSK 6 (Chinese Proficiency Test 6) Cambridge IGCSE Chinese - Second Language (0523), similar to AS Level (Edexcel GCSE), HSK 5 (Chinese Proficiency Test 5) Cambridge IGCSE Mandarin Chinese - Foreign Language (0547) similar to Edexcel GCSE (Higher Tier), HSK 4 (Chinese Proficiency Test 4) Cambridge IGCSE Chinese - First Language (0509) The Cambridge IGCSE First Language Chinese syllabus is designed for learners whose first language is Chinese. The syllabus develops learners' ability to communicate clearly, accurately and effectively. They learn how to employ a wide-ranging vocabulary, use correct*

grammar, spelling and punctuation, and develop a personal style and an awareness of the audience being addressed. Learners are also encouraged to read widely, both for their own enjoyment and in order to develop an appreciation of how writers achieve their effects. The syllabus also complements other areas of study by encouraging skills of more general application. Syllabuses Paper 1 Reading, Directed Writing and Classical Chinese, 2 hours 15 minutes Paper 2 Writing 2 hours By referring to Cambridge IGCSE Chinese, Edexcel IGCSE Chinese (another two examination board) and HSK (Chicness Proficiency Test), combining our 25 years experience in Teaching and editing our own materials. Here is the "LIFE SAVING" book called by many students for their exams. It takes our years' painful effort to edit. The book give a quick revision for your coming exam! Grab it! This study guide contains 26 model answers each to past years' Exercises 4, 5 and 6 of Paper 2 of the IGCSE English as a Second Language (0510) exam. The curated collection of summaries, emails and articles is aimed at guiding students to write well-structured and concise answers, communicate ideas clearly and concisely as well as discover techniques essential in

writing confidently within the prescribed word and time limits. Short notes and tips for writing summaries, emails/letters and articles/reports are also provided.

Cambridge IGCSE® and O Level History Second edition for Option B: the 20th Century of the syllabus (0470,2147), updated for the revised syllabus for first examination from 2020 and now supporting O Level as well.

Help your students take an enquiry-led approach to historical learning with Cambridge IGCSE® and O Level History. Full of activities and primary and secondary sources, this resource encourages the application of historical skills and enables investigative questioning of cause and consequence. Endorsed by Cambridge Assessment International Education for Option B, the coursebook is written by a team of experienced teachers and provides comprehensive coverage of all of the Key Questions and four of the Depth Studies for syllabus Option B: the 20th Century. Sample answers to a selection of the exam-style questions can be found in the teacher's resource. Cambridge IGCSE and O Level Geography has been written specifically for Cambridge International syllabuses 0460 and 2217. Filled with sources, graphs and case

studies, the coursebook requires students to examine a range of information, helping to build their analytical skills. Written by highly experienced authors and Cambridge trainers, this coursebook is updated to support both Cambridge IGCSE and O Level students. It includes clear and practical support, case studies from 25 different countries, fieldwork ideas and a range of interesting content. The accompanying CD-ROM contains support sheets for the topics covered, outline maps and sample exam-style questions. Answers to the activities are in the teacher's resource. Collins IGCSE® Biology provides complete coverage of the latest Cambridge IGCSE® syllabus for Biology and is packed full of questions, in depth content, practical investigative skills features and more. Understanding PISA's Attractiveness examines how policy makers and the media interpret the results of PISA league-leaders, losers, and slippers in ways that suit their own reform agendas. As a result, a myriad of explanations exist as to why an educational system is high or low performing. The chapters, written by leading scholars from Australia, Austria, Denmark, Finland, Germany, Norway, Singapore, South Korea, Spain, Sweden, Taiwan, the UK and the

USA, provide a fascinating account of why results from PISA and other international large-scale assessments are interpreted and translated differently in the various countries. The analyses in this book bring to light the wide array of idiosyncratic projections into these international tests. In some countries, these tests are also used to scandalise one's own educational system and to generate quasi-external reform pressure. Compiled by two leading scholars in comparative education, Florian Waldow and Gita Steiner-Khamsi, this book offers a truly global perspective on the uses and abuses of PISA and will be of great interest to students and academics working in educational policy, comparative education and political science and those working on large-scale data sets. Contains up-to-date information on the full range of international schools, including single-sex, co-educational, day and boarding schools, this guide will assist parents and children in choosing the right international school for them. We are working with Cambridge Assessment International Education to gain endorsement for this forthcoming series. Reinforce learning and deepen understanding of the key concepts covered in the latest

*syllabus; an ideal course companion or homework book for use throughout the course. - Develop and strengthen skills and knowledge with a wealth of additional exercises that perfectly supplement the Student's Book. - Build confidence with extra practice for each lesson to ensure that a topic is thoroughly understood before moving on. - Consolidate reading comprehension, analysis and evaluation and improve writing skills with practice using a variety of text types and genres. - Keep track of students' work with ready-to-go write-in exercises. - Save time with all answers available in the Online Teacher's Guide. Available in this series: Student Textbook Fourth edition (ISBN 9781510421318) Student eTextbook (ISBN 9781510420281) Whiteboard eTextbook (ISBN 9781510420298) Workbook (ISBN 9781510421325) Online Teacher's Guide (ISBN 9781510424159) Study and Revision Guide (ISBN 9781510421349) This title is endorsed by Cambridge Assessment International Education to support Option B for examination from 2020. Rely on author Ben Walsh's bestselling approach to navigate through the content of the latest Cambridge IGCSE and O Level History syllabuses (0470/0977/2147), and help to prepare for*

examination. - Deepen understanding through clear and engaging text to build the content knowledge required by the course. - Develop analytical skills through carefully designed Focus Tasks on all the Focus Points or Key Questions from the syllabus. - Get a feel for the period and the issues through abundant source material that also ensures regular practice of source evaluation skills. - Remember historical facts better through memorable diagrams and timelines. - Consolidate learning with Exam Focus features suggesting how to tackle exam-style questions. The course covers all the Key Questions and Focus Points for Core Content Option B 'The 20th century: International Relations since 1919' and selected depth studies: Germany, 1918-45; Russia, 1905-41; The USA, 1919-41. Available in this series: Student Textbook Second edition (ISBN 9781510421189) Student eTextbook (ISBN 9781510420045) Whiteboard eTextbook (ISBN 9781510420052) Workbook (ISBN 9781510421202) Online Teacher's Guide (ISBN 9781510424104) Study and Revision Guide (ISBN 9781510421196) Supports students studying for Cambridge IGCSE® English as a Second Language (ESL). The ideal companion to the coursebook, the write-in workbook

corresponds clearly with the coursebook and provides students with additional opportunities to practise, helping to build students' language skills and confidence in English as the course progresses. This Student Book provides a grammar-led approach with extensive exam preparation to develop independent, culturally aware students of German, ready for the exam. This book is endorsed by Cambridge International Examinations for the latest IGCSE® (0525) and International Level 1/Level 2 Certificate (0677) syllabuses. Extensive use of German reflects the style of the exams and, with specific advice and practice, it helps students use the acquired skills to their best ability. Topics on German-speaking cultures are integrated throughout to ensure students gain the cultural awareness that is at the heart of this qualification. - Develop students' ability to use German effectively - Stretch and challenge students to achieve their best grades - Ensure the progression required for further study at A-level or equivalent - Provide insight and encourage a positive attitude towards other cultures The book provides up-to-date content following a clear sequencing of topics designed

specifically for teaching German at this level. It is designed to develop spontaneous, confident linguists who are able to progress to further study of German.

- Teacher Resource + Audio-CDs (ISBN 9781471833076) includes all recordings and transcripts together with detailed guidance, editable vocabulary lists, cultural PowerPoints and interactive quizzes - Grammar Workbook (ISBN 9781471833182)

Vocabulary is also available online at Vocab Express, an interactive learning application Visit [www.vocabexpress.co.uk/hodder](http://www.vocabexpress.co.uk/hodder) for more information. This edition of our successful series to support the Cambridge IGCSE Biology syllabus (0610) is fully updated for the revised syllabus for first examination from 2016. Written by an experienced teacher and examiner, Cambridge IGCSE Biology Coursebook with CD-ROM gives comprehensive and accessible coverage of the syllabus content. Suggestions for practical activities are included, designed to help develop the required experimental skills, with full guidance included on the CD-ROM. Study tips throughout the text, exam-style questions at the end of each chapter and a host of revision and practice material on the CD-ROM are designed to help students

prepare for their examinations. Answers to the exam-style questions in the Coursebook are provided on the CD-ROM. First published in 1924, 'Which School?' brings together in one volume a wide range of information and advice, updated annually, on independent education for children up to the age of 18 years. This text offers key facts; worked examples; international contexts; questions, including those from past exam papers; in-built revision; and full coverage of IGCSE syllabuses for secondary maths pupils in overseas schools taking IGCSE. Endorsed by University of Cambridge International Examinations. Cambridge IGCSE Travel and Tourism has been written specifically for the Cambridge IGCSE Travel and Tourism syllabus. Sections have been split into units, each dealing with a particular topic, and are cross-referenced to other units wherever appropriate. This new title contains a wide variety of activities and questions to check and facilitate students' understanding, as well as case studies and illustrative examples encouraging subject-based knowledge and a truly international approach. Cambridge IGCSE Geography Revision Guide has been designed specifically to meet the requirements of Cambridge IGCSE

Geography syllabus (0460). It has been written to help students prepare for the Cambridge IGCSE Geography examination. The book instills confidence by improving the students' understanding of key concepts and adds focus to their revision. This book provides an in-depth understanding of how children's development at different stages of their lives interfaces with the kind of education and support they need at school and home. It examines closely how education, in turn, influences their development and prepares them for an uncertain future. The chapters focus on the rapid developments of the 21st century that are changing the nature of education, especially the shift needed to being able to sift through and meaningfully deal with overwhelming volumes of information now available. This book helps readers understand how children can benefit from the digital environment while avoiding its pitfalls. Keeping in mind that in today's world parents are getting to spend less time with their children, the authors provide research-backed ideas on how they can best enable children's development, including their thoughts, feelings and notions of self. Given the increasing disparities, there is a perceptive analysis

of how education can build an awareness of equity in a context marked by diversity and disadvantage. This book addresses issues such as these in a reliable, scholarly yet accessible manner, for students, young researchers and lay readers. Consequently, it is a valuable source of fundamental insights and understanding for educators, policy-makers, educational administrators and students of human and child development, education, and teacher training courses. Cambridge IGCSE Computer Science Revision Guide follows the Cambridge IGCSE (0478) and Cambridge O Level (2210) Computer Science syllabuses, matching the syllabus for examination from 2015. The book instils confidence and thorough understanding of the topics learned by the students as they revise for examinations, and is written in a clear and straightforward tone to assist learning concepts and theories. This revision guide is endorsed by Cambridge International Examinations. Up-to-date resources providing full coverage of Cambridge IGCSE® First Language English (0500 and 0522) for first examination in 2015. This updated, write-in Workbook can be used for independent learning, for homework tasks or revision. It contains text extracts

from around the world with linked exercises for students to practise the skills they need for the Cambridge IGCSE. Exercises are grouped into 12 diverse units on cross-curricula topics which are not linked to the Coursebook themes, so students remain engaged in the reading material. The Workbook has been completely updated in line with the new syllabus. It is particularly suitable for students who need additional support with language and grammar. A microsite provides free online resources to support the course. Oxford English for Academic Purposes offers a specialist course covering listening, speaking and reading in key areas of academic life such as lectures, presentations and textbooks. The course is consistent with levels A2 to C1 of the Common European Frame of Reference for the teaching of foreign languages. Fully updated, flexible resources taking an active-learning approach that encourages students to aim higher in the 0500, 0524 and 0990 syllabuses. With travel writing, magazine articles, blogs and extracts from writers such as Roald Dahl and D. H. Lawrence, this coursebook helps students develop their English Language skills through an active, communicative approach. The first unit in

each part covers text analysis, summary writing and note-taking. The second deals with directed writing and the third looks at descriptive and narrative composition and includes suggestions for coursework topics if your school follows this pathway.

Suggested answers to coursebook questions are included in the teacher's book. This title is endorsed by Cambridge Assessment International Education to support the full syllabus for examination from 2020.

Critically observe and investigate the three geographical themes in the latest Cambridge IGCSE and O Level Geography syllabuses (0460//0976/2217) and ensure full coverage with a comprehensive guide to all themes, skills and coursework required. - Trust experienced authors and teachers to guide you through the required topics and facts. - Navigate the syllabuses confidently with relevant key questions at the start of each chapter. - Deepen understanding of geographical concepts through up-to-date case studies from around the world. - Check comprehension with case study analyses and activities throughout. - Consolidate learning with definitions of key terms, topic summaries, additional questions, further help with case studies and images

online. Available in this series: Student Textbook Third edition (ISBN 9781510421363) Student eTextbook (ISBN 9781510420359) Whiteboard eTextbook (ISBN 9781510420366) Workbook (ISBN 9781510421387) Online Teacher's Guide (ISBN 9781510424166) Study and Revision Guide (ISBN 9781510421394) This guide inspires students with a new theme-based approach while supporting them with practical advice and accessible explanations. It offers full coverage of the latest Cambridge IGCSE First Language English syllabus (0500/0990) with a fully updated Student's Book, written by an experienced author and examiner. Fully updated, flexible resources taking an active-learning approach that encourages students to aim higher in the 0500, 0524 and 0990 syllabuses. Explore the mysterious River Congo in Joseph Conrad's *Heart of Darkness*, meet Noppakhoa – the elephant who loves to paint, and learn fiery facts about rockets. Through interesting topics and exam-style questions, this write-in language skills and practice book provides students with the grammar practice they need for the course and beyond. The clear layout of the book makes focussing on particular grammatical concepts easy, allowing teachers to tailor

lessons to their class. Suggested answers to questions are at the back of the book. Containing everything you need to know about independent schooling in Greater London and the surrounding area, this comprehensive guide is aimed at helping parents and children through the process of choosing the right school in London and the south-east. Endorsed by Cambridge International Examinations, the books cover the Cambridge syllabus (0455). We are working with Cambridge Assessment International Education to gain endorsement for this title. New edition to match the revised Cambridge IGCSE™, IGCSE (9-1) and O Level syllabuses (0470/0977/2147) for examination from 2024. Rely on author Ben Walsh's bestselling approach to navigate through the syllabus content and help students acquire the skills they need. The book covers all the Key Questions and Focus Points for Core Content Option B 'The 20th century: International Relations since 1919' and selected depth studies: Germany, 1918-45; Russia, 1905-41; The USA, 1919-41. - Deepen understanding through clear and engaging text to build the content knowledge required by the course. - Develop analytical skills through carefully designed Focus Tasks on all the Focus Points

or Key Questions from the syllabus. - Get a feel for the period and the issues through abundant source material that also ensures regular practice of source evaluation skills. - Remember historical facts better through memorable diagrams and timelines. - Consolidate learning with Focus on features suggesting how to tackle exam-style questions. Up-to-date resources providing full coverage of Cambridge IGCSE® First Language English (0500 and 0522) for first examination in 2015. This Fourth edition Coursebook is designed to support the Cambridge IGCSE First Language English (0500) and Cambridge International Level 1/Level 2 Certificate First Language English (0522). It teaches all the skills required for the Cambridge IGCSE and includes activities on a variety of engaging topics, set out in 14 lively, full-colour units. All our supporting resources, like audio files and answer sheets, have now moved to Cambridge GO. Go to Cambridge GO to register and access files for any of your Cambridge titles. If you already have an account, just log in and go to 'add new resources'. 'The editors of the SAGE Handbook of Research in International Education have brought together an impressive array of scholars

whose cutting edge research addresses the growing field of international education, from the experiences of K-12 schools around the world to the field of teacher education. This book raises important questions and should be read by a broad audience' - Kenneth Cushner, Executive Director of International Affairs and Professor of Education, Kent State University 'The editors of this admirable handbook have set out to produce a report on international education. Their consummate success in doing so gives those of us working in the field a new and invaluable resource. The editors may be academics but this is a book largely written by, about and for those whose job it is to teach ''internationally''. No-one working in international education will fail to be provoked, challenged or inspired by the compelling arguments advanced within this authoritative volume' - Peter MacKenzie, Principal, Hiroshima International School 'The book is well organized in carefully integrated sections and chapters and the references alone are a valuable bibliographical tool. An indispensable work highly recommended for education reference collections and the libraries of individual researchers' -

*J.B.Thomas, Emeritus Professor of Educational Studies, Loughborough University*

*Interest in the field of international education has never been more intense than at present. There are a rapidly increasing number of schools worldwide set up specifically to meet the demands of those parents who, through their own professional activities, wish to have their sons and daughters educated in schools that offer programmes based on international values. Such schools have embraced the promotion of international education as one of their major goals and, consequently, an increasing number of organisations currently offer curricula that claim to be international in nature. Such global movements have created a parallel increase in the incorporation of forms of international education within national school systems throughout the world. This has resulted in wider forms of collaboration between schools in the public and private sectors, nationally and internationally, generating a much more substantial base of professional experience in the implementation of schemes for international education than had previously existed. This book analyses the origins, contributions and interpretations of*

international education. The authors identify approaches to research that will progress our knowledge and understanding of the field, and extend and even redraw it, on the basis of the research evidence presented. Content includes: - A historical overview of the ways in which the term "international education" has been interpreted - The theoretical interpretation of international education in its current context - International education in practice: exploration of the issues in terms of students, curricula, pedagogies and organising formal institutions - Conceptual challenges for international education in the future This handbook is an essential resource for those who are involved in the practice and academic study of international education. It will be of particular interest to researchers and teachers in universities, governmental and private curriculum development agencies, examination authorities, administrators and teachers in schools. 'This volume is another valuable SAGE contribution to the expanding literature on international education. Not all handbooks are described as essential reading but this one will be, and will become an indispensable work of reference

highly recommended for education libraries (both academic and governmental) and for the bookshelves of individual researchers and all involved in international education...the three editors and their fellow authors can take a collective pride in having given us an excellent volume which very successfully completes a chronological and theoretical journey through the issues, practices and future questions presented by international research and practice in international education' - Journal of Research in International Education This title is endorsed by Cambridge Assessment International Education to support the full syllabus for examination from 2020. Discover Economics as a real-world subject through case studies from around the world and provide in-depth coverage of the latest Cambridge IGCSE and O Level Economics syllabuses (0455/2281). - Trust an experienced author team to navigate the syllabuses confidently with clearly-defined learning objectives throughout. - Deepen understanding by applying knowledge to real-life global case studies. - Extend learning beyond the classroom by reflecting on skills learned and applying them to local and global environments. - Check understanding

with engaging activities that thoroughly integrate deep learning skills. – Benefit from language support with an accessible text and definitions of technical terms throughout. – Consolidate learning with chapter reviews and examination-style questions, as well as useful links to extra activities and answers to the questions online. Available in this series: Student Textbook Second edition (ISBN 9781510421271) Student eTextbook (ISBN 9781510420212) Whiteboard eTextbook (ISBN 9781510420229) Workbook (ISBN 9781510421288) Online Teacher's Guide (ISBN 9781510424135) Study and Revision Guide (ISBN 9781510421295) Written specifically for the Cambridge syllabus, this updated series provides clear and practical support for students and teachers. Cambridge IGCSE First Language English, Third edition has been written specifically for the University of Cambridge International Examinations syllabus. Written by a highly experienced and well-known author, this new and updated coursebook includes clear, practical support for students, a diverse range of topical stimulus material to enliven the subject, imaginative activities and exam tips that build confidence and develop the skills

needed to succeed in the examination. This book focuses on the delivery of public examinations offered by the main examining boards in England since Victorian England. The investigation reveals that the provision of examinations was as controversial in the nineteenth century as it is today, particularly since the government is now determined to bring in reform. The issues of grade inflation, the place of coursework in marking, and the introduction of technological change all feature in this book. Educational policy is primarily examined as well as some reference to the global scene. The study analyses archival material from a wide range of sources, including those records stored at the National Archives and the London Metropolitan Archives. An emphasis is placed upon the various institutions that contributed to the process, including the Royal Society of Arts, the London Chamber of Commerce, the City of Guilds of London Institute and the University of London. Attention is given to the findings of the Taunton Commission and the Bryce Commission and shorter reports such as the Northcote-Trevelyn Report which served to radicalise entry and recruitment to the Civil Service.

The modern GCSE and the plans for I-levels are considered and key observations are made about the efficacy of those examinations offered by Oxford and Cambridge universities and O-levels, A-levels and NVQs. The reader is given every opportunity to benefit enthusiastically in this account of examinations, and those engaged in education, whether teachers, examiners, students or administrators, will be able to gain useful insights into the workings of the examination system. The first full-length history of the University of Cambridge Local Examinations Syndicate. The Cambridge IGCSE First Language Chinese syllabus is designed for learners whose first language is Chinese. The syllabus develops learners' ability to communicate clearly, accurately and effectively. They learn how to employ a wide-ranging vocabulary, use correct grammar, spelling and punctuation, and develop a personal style and an awareness of the audience being addressed. Learners are also encouraged to read widely, both for their own enjoyment and in order to develop an appreciation of how writers achieve their effects. The syllabus also complements other areas of study by encouraging skills of more general

application. By referring IGCSE Chinese and HSK 1-4 (version 2009 and the latest version 2021) Syllabus, we edited a series of Chinese Vocabulary for those who are studying Chinese or preparing international examinations, such as IB, SAT, AP, IGCSE, GCSE Chinese. This book gives students a quick revision for their coming exam! Combining our 26 years' expertise in Teaching and editing our own materials, here is the "LIFE SAVING" book called by many students for their exams. Grab it! Thanks for your support for us creating better contents for you!
