When she finally has a lead on his whereabouts, Taylor returns home to Logan Point, Mississippi, to investigate. But as she is stalking the truth about the past, someone is stalking her. Nick Sinclair pens mystery novels for a living, but the biggest mystery to him is how he can ever get over the death of his wife--a tragedy he believes he could have prevented. With his estranged brother the only family he has left, Nick sets out to find him. But when he crosses paths with Taylor, all he seems to find is trouble. Join the chase as this determined duo search the murky shadows of the past for the keys to unlocking the present and moving into a future filled with new hope and love. Readers will be swept into the sultry South in this debut novel from a promising and already award-winning writer. Two Logan McRae crime thrillers from the author of three consecutive No. 1 Sunday Times bestsellers. Investigative Services Branch (ISB) ranger Ainsley Beaumont arrives in her hometown of Natchez, Mississippi, to investigate the murder of a three-month-pregnant teenager. While she wishes the visit was under better circumstances, she never imagined that she would become the

killer's next target--nor that she'd have to work alongside an old flame. After he almost killed a child, former FBI sniper Lincoln Steele couldn't bring himself to fire a gun, which had deadly and unforeseen consequences for his best friend. Crushed beneath a load of guilt, Linc is working at Melrose Estate as an interpretive ranger. But as danger closes in on Ainsley during her murder investigation, Linc will have to find the courage to protect her. The only question is, will it be too little, too late? Award-winning author Patricia Bradley continues her Natchez Trace Park Rangers series with a story about how good must prevail when evil just won't quit. Nora Abbott needs to make enough snow to save her ski resort from the drought that is ravishing Northern Arizona, and her recent court victory should mean good times are ahead. But when the death of Nora's husband brings her overbearing mother into town, energy tycoon Barrett McCreary uses the opportunity to launch what might just be a hostile takeover of her cash-strapped resort. To make matters worse, the local Hopi tribe still claims that making snow on the mountain will upset the balance of the earth, and someone is taking matters into their own hands in an explosive way. The ruggedly handsome Cole Huntsman keeps turning up to help Nora, but he seems to be dealing from both sides of the deck. And with a business empire's profits—not to mention lives—at stake, double-dealing is a deadly strategy. Praise: “Baker’s series debut brings Native American culture and big business together into a clash that can be heard across the mountains.”—Library Journal “A thoroughly satisfying mystery! Shannon Baker captures the grandeur and fragility of the Western landscape while keeping the pages turning.”—Margaret Coel, New York Times bestselling author of *Buffalo Bill’s Dead Now* “Tainted Mountain is a story as mysterious and beautiful as the Arizona landscape in which it’s set. Shannon Baker offers readers a taut, cautionary tale that is a deft mix of both important contemporary issues and the timeless spiritual traditions of the Hopi. For those of us who hunger for the kind of novel Tony Hillerman used to write so well, this promising new series may just fill the bill. Pick up Tainted Mountain and prepare to be entranced.”—William Kent Krueger, New York Times Bestselling Author of *The Cork O’Connor Series* “Pitting greed against the future of a people, Baker’s thoughtful thriller, Tainted Mountain, not only presents a compelling clash of myth and violence that will keep you guessing, it also reads like such a love letter to the natural world, you won’t want it to end.”—Kris Neri, author of *Revenge on Route 66* Despite years on the run, Sophie Neumann is determined to care for two young children. She won’t abandon them the way she thinks her older sisters abandoned her. Disappearing with her two young charges into a group of orphans heading west by train, Sophie hopes to find safety and a happy life. When the train stops in Illinois for the first placement of orphans, Sophie faces the most difficult choice of her life. Reinhold Weiss has finally purchased his own small farm. With mounting debts, a harvest to bring in, and past scars that haunt him, he’s in no position to give his heart away . . . but can he say no when his long-lost friend shows up on a nearby train pleading for his help? When one of her famous Red Velvet cupcakes is thought to have caused the death of her rival—a scandalous Lake Eden legend who was trying to steal her boyfriend—Hannah Swensen becomes the unlikely suspect in a murder investigation and must whip up the real killer before someone else gets iced. "At 21, Hawthorne's parents shipped him off to New York, where his older siblings had already relocated. He eventually found a job, started college, and began to build the multi-million dollar business Golden Krust, whose Jamaican patties are a New York staple. Hawthorne's story is compelling on many levels: it offers a peek into life in Jamaica, a classic immigrant narrative, and a testament to the strength of family. Hawthorne's is a Horatio Alger tale with a Caribbean flavor, which should find an appreciative audience among entrepreneurs and business aficionados." --Library Journal "The American question gets a great, real-life look in *The Baker's Son* ... Hawthorne's story is at once inspirational and revelatory." --Publishers Weekly "In his memoir, *The Baker's Son*, Hawthorne shares how an idea inspired by his father's bakery in Border, Jamaica, grew into the 120-branch Golden Krust Caribbean Bakery and Grill. After 23 years of selling patties, pastries, sandwiches and more through Golden Krust, Hawthorne hasn't lost sight of his values." --New York Daily News "The Baker's Son is a deeply moving account that tells the story of an immigrant family from rural Jamaica that relocated to the Bronx in 1980s... the Hawthorne family has scaled the heights of success to achieve the American Dream to an unprecedented degree." --The Philadelphia Tribune "In gripping narrative that is both inspirational and instructive, Lowell Hawthorne shares how an idea infused with tenacity, intellect, and passion can become a dream realized. *The Baker's Son* offers a successful playbook for any entrepreneur who seeks to play on the rough-and-tumble field of business--and win." --Earl "Butch" Graves, Jr., President and CEO, Black Enterprise "Lowell Hawthorne's

From the start, Robert Hansen seemed destined for an unhappy life. Overworked by his strict parents and relentlessly bullied by his classmates, he spent his teenage years alone. His love of archery and hunting were the only comforts he had until he left his small town for Alaska, the last great frontier. Now a man, his hunting skills earned him prestige, while his new business earned him the trust and admiration of Anchorage's people. It seemed like Hansen had finally turned his life around. When countless women around town went missing, no one had any idea that he was hunting a very different kind of game. Witness the depraved second life of a respected family man--the life of the worst serial killer in Alaska's history. Draw your own conclusions as you explore the story behind the making of The Butcher Baker. CAUTION: True Crime Explicit is a series that contains descriptive accounts of abuse and violence. If you are especially sensitive to graphic content, it is advisable to avoid this series. Robert Hansen, a baker from Alaska, hunted down his victims without mercy. He did the unthinkable, making hunting much more than a sport... Robert Hansen dubbed the "Butcher Baker" killed at least 19 women. Taking the crime escalator to the top, Hansen went from petty thief and arsonist to rapist to serial killer over his lifetime, all while maintaining the facade of a shy and gentle family man. He was a baker in Anchorage, Alaska, a husband, and the father of two children. But there are at least 30 women who lived through the horror of being kidnapped, raped, and abused by Hansen--and at least 19 who did not survive their encounters with the hunter at all. Ann Rule says, "Kathryn Casey is one of the best true crime writers today"—high praise indeed from the author of a host of nonfiction New York Times bestsellers including *Green River* and *The Stranger Beside Me*, the story of serial killer Ted Bundy. With *Deadly Little Secrets*, Casey once again explores the dark side of the Lone Star State, offering a riveting true story of a murderous Texas preacher responsible for the cold-blooded slaying of the mother of his children. Meticulously researched and spellbindingly told, *Deadly Little Secrets* pulls back the curtain on the horrific crimes of a supposed man of God who was more devoted to the Devil, and it demonstrates why such true crime luminaries as Edgar® Award winner Carleton Stowers and Gregg Olsen are confirmed Kathryn Casey fans. And don't miss Kathryn Casey's latest book, *Deliver Us*, a riveting account of the brutal murders of young women in the I-45/Texas Killing Fields. In *Reinterpreting Criminal Complicity and Inchoate Participation Offences*, Dennis J. Baker argues that the mental element in complicity is one of intention, that recklessness alone is not sufficient. This is demonstrated by showing that the ancient and modern authorities on complicity required intention. The book argues the 'causal participation' element in complicity means that the conduct element can only be established when there is intentional encouragement on the part of the accessory. As the Accessories and Abettors Act 1861, like most of the statutory provisions found in the United States, deems that both perpetrator and accessory are perpetrators for the purpose of punishment and crime labelling, limiting the mental element in complicity to intentional participation is, the author argues, the only way to reconcile these provisions with the requirements of proportionate punishment and fair labelling. As some forms of reckless encouragement and assistance will not be criminalised if the mental element in complicity is intention only, the author suggests that the solution is to amend section 45 of the Serious Crime Act 2007 to criminalise reckless participation. In addition, the author argues that standard complicity and joint enterprise complicity have the same mental and conduct elements and thus joint enterprise complicity is not a distinct form of complicity.
