**Human in Death** Sep 27 2020 Kecia Ali's Human in Death explores the best-selling futuristic suspense series In Death, written by romance legend Nora Roberts under the pseudonym J. D. Robb. Centering on troubled NYPSD Lieutenant Eve Dallas and her billionaire tycoon husband Roarke, the novels explore vital questions about human flourishing. Through close readings of more than fifty novels and novellas published over two decades, Ali analyzes the ethical world of Robb's New York circa 2060. Robb compellingly depicts egalitarian relationships, satisfying work, friendships built on trust, and an array of models of femininity and family. At the same time, the series' imagined future replicates some of the least admirable aspects of contemporary society. Sexual violence, police brutality, structural poverty and racism, and government surveillance persist in Robb's fictional universe, raising urgent moral challenges. So do ordinary ethical quandaries around trust, intimacy, and interdependence in marriage, family, and friendship. Ali celebrates the series' ethical successes, while questioning its critical moral omissions. She probes the limits of Robb's imagined world and tests its possibilities for fostering identity, meaning, and mattering of human relationships across social difference. Ali capitalizes on Robb's futuristic fiction to reveal how careful and critical reading is an ethical act.

Echoes in Death Apr 22 2020 Echoes in Death, the chilling new suspense novel from #1 New York Times bestselling author J.D.

Robb is the perfect entry point into the compelling In Death police procedural series featuring Lieutenant Eve Dallas. As NY Lt. Eve Dallas and her billionaire husband Roarke are driving home, a young woman—dazed, naked, and bloody—suddenly stumbles out in front of their car. Roarke slams on the brakes and Eve springs into action. Daphne Strazza is rushed to the ER, but it's too late for her husband Dr. Anthony Strazza. A brilliant orthopedic surgeon, he now lies dead amid the wreckage of his obsessively organized town house, his three safes opened and emptied. Daphne would be a valuable witness, but in her terror and shock the only description of the perp she can offer is repeatedly calling him "the devil"... While it emerges that Dr. Strazza was cold, controlling, and widely disliked, this is one case where the evidence doesn't point to the spouse. So Eve and her team must get started on the legwork, interviewing everyone from dinner-party guests to professional colleagues to caterers, in a desperate race to answer some crucial questions: What does the devil look like? And where will he show up next?

A review of the security videos reveals that the victims were killed with a tactical laser rifle fired by a sniper, who could have been miles away when the trigger was pulled. And though the list of locations where the shooter could have set up seems endless, the number of people with that particular skill set is finite: police, military, professional killer. Eve's husband, Roarke, has unlimited resources--and genius--at his disposal. And when his computer program leads Eve to the location of the sniper, she learns a shocking fact: There were two--one older, one younger. Someone is being trained by an expert in the science of killing, and they have an agenda. Central Park was just a warm-up. And as another sniper attack shakes the city to its core, Eve realizes that though we're all shaped by the people around us, there are those who are just born evil...

**Dark in Death** Jun 24 2020 Lieutenant Eve Dallas returns in *Dark in Death*, by J.D. Robb, the #1 New York Times bestselling master of suspense, and takes on a case of death imitating art... It was a stab in the dark. On a chilly February night, during a screening of *Psycho* in midtown, someone sunk an ice pick into the back of Chanel Rylan's neck, then disappeared quietly into the crowds of drunks and tourists in Times Square. To Chanel's best friend, who had just slipped out of the theater for a moment to take a call, it felt

as unreal as the ancient black-and-white movie up on the screen. But Chanel's blood ran red, and her death was anything but fictional. Then, as Eve Dallas puzzles over a homicide that seems carefully planned and yet oddly personal, she receives a tip from an unexpected source: an author of police thrillers who recognizes the crime—from the pages of her own book. Dallas doesn't think it's coincidence, since a recent strangulation of a sex worker resembles a scene from her writing as well. Cops look for patterns of behavior: similar weapons, similar MOs. But this killer seems to find inspiration in someone else's imagination, and if the theory holds, this may be only the second of a long-running series. The good news is that Eve and her billionaire husband Roarke have an excuse to curl up in front of the fireplace with their cat, Galahad, reading mystery stories for research. The bad news is that time is running out before the next victim plays an unwitting role in a murderer's deranged private drama—and only Eve can put a stop to a creative impulse gone horribly, destructively wrong. From the author of *Echoes in Death*, this is the latest of the edgy, phenomenally popular police procedurals that Publishers Weekly calls “inventive, entertaining, and clever.”

**Obsession in Death** Jan 20 2020 Police lieutenant Eve Dallas must contend with an admirer who is killing innocent people to prove his devotion.

**Midnight in Death** Feb 01 2021 A quartet of holiday stories of romance and suspense includes J.D. Robb's "Midnight in Death," Susan Plunkett's "Christmas Promises," Dee Holmes's "The Unexpected Gift," and Claire Cross's "A Berry Merry Christmas."

Despite his violent end, Eve can't find anyone—girlfriend and business partners included—who seemed to have a problem with the enthusiastic, high-spirited millionaire. Of course gaming, like any business, has its fierce rivalries and dirty tricks—as Eve's husband, Roarke, one of U-Play's competitors, knows well. Finally, when someone knocked at his door, Louie picked up a baseball bat, opened the door, and started swinging... The first cop on the scene fired his stunner twice and Louie died instantly. Detective Eve Dallas has taken over the investigation, but there's nothing to explain the man's sudden rage or death. And when a second man dies under nearly identical circumstances, Dallas starts racking her brain for answers and for courage to face the impossible...that this might be a computer virus able to spread from machine to man...

*Connections in Death* Dec 11 2021 #1 NEW YORK TIMES BESTSELLER (February 2019) Lieutenant Eve Dallas fights to save the innocent—and serve justice to the guilty—on the streets of New York in *Connections in Death*, the gritty and gripping new In Death novel from #1 New York Times bestselling author J.D. Robb. Homicide cop Eve Dallas and her billionaire husband, Roarke, are building a brand-new school and youth shelter. They know that the hard life can lead kids toward dangerous crossroads—and with this new project, they hope to nudge a few more of them onto the right path. Returning from a celebratory dinner with her boyfriend, she finds Lyle dead with a syringe in his lap, and Eve's investigation confirms that this wasn't just another OD. After all his work to get clean, Lyle's been pumped full of poison—and a neighbor with a peephole reports seeing a scruffy, pink-haired girl fleeing the scene. Now Eve and Roarke must venture into the gang territory where Lyle used to run, and the ugly underground world of tattoo parlors and strip joints where everyone has taken a wrong turn somewhere. They both believe in giving people a second chance. Maybe even a third or fourth. But as far as they're concerned, whoever gave the order on Lyle Pickering's murder has run out of chances...
