This is a republished story that has been completely rewritten and re-edited. Luis has two problems. The depression monster is breathing down his neck and he's in love with his boss, who thinks their age-gap and employer/employee status is a deal-breaker. Luis Flynn has had a thing for Royce Hessing since the day he started work when he was still in high school but Royce doesn't see him as anything other than an employee, and an annoying one at that. It's hopeless to think they could be anything more. And then Royce kisses him. It should make Luis happy, but Luis finds that emotion hard to grasp. In fact, he's finding it difficult to get through a day so his attraction to his boss, along with everything else in his life, takes a backseat. Trigger Warning: Scenes of self-harm, severe depression, and talk of suicide. Opposites burn hot enough to melt the snow and ice of an Alaskan winter in this all-new series from USA Today bestselling author Megan Crane. Quinn Fortune is the official protector of all the unspoiled beauty in Lost Lake, Alaska, as the head of the community trust. A rugged frontiersman through and through, he doesn't do soft. But he can't help his fascination with the pink-clad professor who shows up in Lost Lake seeking his approval for her cheerful outsider's proposal about land that isn't hers. Still, he agrees to consider it—if she can handle a month of good old-fashioned Alaska living. He's betting she'll head back to the safety of the Lower 48 within the week. Violet Parrish is a thinker, not a doer, but desperate times call for extraordinary measures—like taking on the

Alaskan wilderness. In January. Off the grid. With a mountain man hot enough to melt a glacier. The frozen Alaskan tundra should be no match for Violet's determination, but the sheer immensity of the Last Frontier takes her by surprise—as does her attraction to gruff, impossibly handsome Quinn, and the unexpected heat that burns between them during the freezing Alaska nights... How long would you wait for love?

Max Kaufman was kicked out of his home as a teen and his life has been an uphill battle ever since. Now he's taken a job as a private caretaker to Edward Marsh III, the president and CEO of one of the largest pharmaceutical companies in the world. Max soon learns Marsh's multi-billion-dollar empire is a gold and diamond-encrusted web of secrets and lies. The longer Max works and lives with the Marsh family, the tighter the secrets tangle around him. And his heart—that he's worked so hard to protect—falls straight into the hands of the distant, cold, and beautiful son of a dynasty... Silas Marsh is set to inherit the family fortune, but his father is determined his heir be the "perfect" son. Before Silas can take over the company and end its shady business practices, he must prove himself worthy...and deny his true nature. Silas must choose: stand up to his father by being true to himself and his undeniable feelings for Max. Or pretend to be someone he is not in order to inherit everything. Even if it means sacrificing a chance at

When Billy and Owen made that promise, they knew exactly how dangerous the world could be. They survived prison by protecting each other and they survived freedom by holding that promise sacred. Now they want more than just to survive and they want it from the brothers whose bond is as strong as their own. "We are stronger together than we'll ever be apart." When Owen reaches his breaking point, Chris jumps at the chance to make things right for all of them. Rich and unassuming, green-eyed blond whom I adored, but never told him, and I managed to screw that relationship up, because I was an arrogant, self-centered narcissistic ass. “The first time I met him I knew he was the one, yet I left a club with another man. Two years into the so-called relationship, he’d left me for a beach bum. Now I was scrambling to get Jake back by doing everything I could think of. “I’d tried almost everything, but that one thing to make him mine.” This book contains, second chance romance, enemies to lovers, fake boyfriends, and HEA keywords Gay MM love gay Free Contemporary Romance Ebook: Contemporary Erotic Romance: BDSM, Free, New Adult Erotica, Billionaire, Adult, Dominant, Possessive, Alpha Male, First Kiss, HEA, HFN, Love, College, Bad Boy Modern, Millennial, Hot, Passionate, Steamy, Series, Male Protagonist, Main Character, First Person POV, 2020, US, UK, CA, AU, EU, Suspense, Mystery, Nerd, Short Story, Trilogy, Holiday, College, YA, Young Adult, Anthology, Hottest, Authors, Writers, Well written, Popular, Funny, Bestselling, Books, Novels, Ebooks, Paperbacks, Fiction) UK, Au, Ca, gay fiction, mm gay fiction, lgbtq, lgbt UK Gay erotic bdsm short gay key Free Contemporary Romance erotic Ebook: Contemporary Erotic Romance: BDSM, Free, New Adult Erotica, Billionaire erotica MM erotica, Adult, Dominant, Possessive, Alpha Male, First Kiss, HEA, HFN, Love, College, Bad Boy Modern, Millennial, Hot,

If you love the characters, you can read more about Jackson in Book 1, Jackson and Kai in Books 3 and 4 of The Glendale Boys, and Kai in Crystal Joy series. Tropes: First Time Gay, Billionaire, Coming of Age. Warning: contains steamy scenes and swear words. Only true love can free a captive heart.

Landon Jenks, retired four-time Golden Glove-winning shortstop for the Chicago Cubs, is lonely, heartbroken, and in desperate need of simple human contact. Trapped in the sticky fine print of an ironclad contract that forbids him from revealing his very-much-single status until the season finale of his reality show airs, he calls an elite male escort service that caters to the rich and wretched. Accustomed to servicing his often less than savory clients at more upscale locales, twenty-six-year-old Toby Carmichael is surprised when his handler sends him to a run-down motel off I-55. But "surprise" doesn't come close to describing the shock that rocks his system when a delightful stuttering mess covered in tattoos and nearly ten years his senior stumbles into the room-and right into his heart. For the first time since Toby was forced into the life of prostitution, a kiss sparks a desire that has nothing to do with money and everything to do with genuine chemistry and the faintest beginnings of something so much more. But Toby's dark past and troubled present make it impossible to see a future with Landon. And when the truth comes to light, a horrified and helpless Landon is

determined to save Toby at all costs. If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you... Steven Thompson had a bad year. A string of mean, kinky (the alarming kind, not the good kind), and crazy dating debacles combined with a boss who appears to be experiencing male-prenatal-psychosis means Steven's stress levels are high. They're so high, he's decided to quit dating and focus instead solely on his job. Until he meets Dr. Ken Miles. Doctor Ken Miles is having a fantastic year. His hard work is paying off in a big way . . . professionally. But his social life? Not so much. Until he meets Steven Thompson. Steven isn't so sure about Dr. Miles, but Ken is one hundred percent certain about Mr. Thompson. And even though both men know full well that the key to getting what you want out of life is hard work, they can't seem to make them—together—work. Will they ever get on the same page? Or just keep sticking to the same old script? 'Sticking to the Script' is a full-length contemporary romantic comedy, can be read as a standalone, and is book#2 in the Cipher Office series, Knitting in the City World, Penny Reid Book Universe. A. L. Graziadei's Icebreaker is an irresistible YA debut about

two hockey players fighting to be the best—and the romance that catches them by surprise along the way. Seventeen-year-old Mickey James III is a college freshman, a brother to five sisters, and a hockey legacy. With a father and a grandfather who have gone down in NHL history, Mickey is almost guaranteed the league's top draft spot. The only person standing in his way is Jaysen Caulfield, a contender for the #1 spot and Mickey's infuriating (and infuriatingly attractive) teammate. When rivalry turns to something more, Mickey will have to decide what he really wants, and what he's willing to risk for it. This is a story about falling in love, finding your team (on and off the ice), and choosing your own path. Can two battered hearts be mended by the love of a third? Kyle is hopeful, but when the past threatens Saul, will Javier's sacrifice destroy them all? When he wasn't fighting, Saul Alvarez was the most sought-after professional sadist in the Miami BDSM community. Neither role invites long-term relationships, but he's comfortable with his solitary existence until he is charged with guarding Durango's prized whore. Javier Escardo had been praying for death, but never expected the stone-cold killer he got in response. One glimpse into those sinful eyes reveals not only the promise of retribution but a reason to live. Six years later, through hell and back, one truth has remained firm: his protector needs saving and he can't do it alone. Hidden beneath the public persona, Kyle Jansen longs to find a Master who will see his need to be taken over without abusing him and a lover who will care about

him beyond the sexual games. It isn't until he encounters the smoldering combination of Saul and Javier that he realizes it was never supposed to be one partner at all. A new dating app. Rules: both parties sit at a table with blindfolds on. Each can ask three questions to the other. If they don't like the answers, they can leave. If both parties enjoy the conversation, they take the blindfold off. What can go wrong? Nothing. Unless after taking off the blindfold, you realise the other person is the last guy you expected to see. This is exactly how Ernesto-an autistic video game programmer with a secret dominant streak, meets Brian-an easy-going ex-football player with a burgeoning desire to submit. And giving in to the demands of this lean, geeky Dom may be just what Brian needs. A standalone MM book from the contemporary Pursuit of Love series. Low in angst, high in heat. ease with the guests coupled with his charm and good looks could dethrone Dash from his number one spot ... so why does he secretly want to kiss him? Fairyland heats up as sparks fly between the two rival princes. Will they get their fairytale romance before they're kicked out of Fairyland for good? Find out in this standalone MM contemporary romance by Jaxon Knight, set in an amusement park where fairytales can come true.---

Rival Princes is a sweet Rivals to Lovers romance with queer characters, set in a fairy tale themed amusement park. Guaranteed HEA. Some cursing, no cheating. Falling in love was easy. So was breaking each other's hearts. When Colin & Arnaud meet again, will their history be too painful to overcome? Born into wealth and privilege, Colin Sinclair was raised on the knowledge that money could buy anything and everyone had a price. Trouble was no trouble at all, not when the money was there to sweep it under the rug. But those lessons, learned at the knee of his father, were going to be challenged in a way that would change Colin forever. In middle class suburbia, Arnaud Dechene learned the value of hard work, focus, and dedication to a dream. He was well on his way to achieving it, the role of Premier, when he catches Colin's eye. Rich snobs didn't usually do it for him, but there was something about Colin that made him impossible to resist. Despite being opposites in every way, falling into a relationship was surprisingly—and deceptively—easy, but Arnaud never lost sight of his dream and Colin had trouble accepting that he was second place to anything. When a

stupid argument leads to a reckless act, the repercussions leave Arnaud fighting for his life and Colin paying with his own. With a little meddling from an aging schemer and intentions that are more well-meaning than realistic, their paths will cross again. However, Colin and Arnaud aren't the same men who loved with abandon. They are older and wiser, with a history that might be too big to overcome.

Wanted: One roommate to share a 3-bedroom house, split the rent, and ideally not be the guy I can't stop thinking about. I'm a man with too many secrets, so the last thing I need is a new roommate with a sexy smile and blue eyes that see right through me. Eight years ago, Roderick left town after high school. We're not friends. I owe him nothing. But back then, I let one of my secrets slip, and he's the only one who noticed. Part of me knows I should run far, far away. But the other part wants him to come upstairs and spend the night. But if I let him in, I could lose everything.

Seeking: a room to rent in town. I'm tidy, have no pets, and I will feed you homemade bread. I should probably add: Gay AF, and has no filter. It's no wonder my new landlord is so wary of me. A smarter man would ignore those hot glances from Kieran Shipley. The broody lumberjack wants more from me than another homemade pretzel, but if I push my luck, I'll end up back on the street. Too bad I've never been smart with my heart... Passionate, sexy, and emotional, Roommate brings all the feels and all the delicious heat! The heat between them is enough to ward off the chilly Alaska weather conditions in the next Fortunes of Lost Lake novel from USA Today bestselling author M. M. Crane. Bowie Fortune has always liked a risky proposition. A bush pilot out in the Last Frontier, flying in and out of places that give most pilots nightmares is what he lives for. Even when the challenge turns out to be a woman who makes him want every last thing he knows he shouldn't.
