A gorgeous debut about family, friendship, first romance, and how to be true to one person you love without betraying another “One thing my mother never knew, and would disapprove of most of all, was that I watched the Garretts. All the time.” The Garretts are everything the Reeds are not. Loud, numerous, messy, affectionate. And every day from her balcony perch, seventeen-year-old Samantha Reed wishes she was one of them . . . until one summer evening, Jase Garrett climbs her terrace and changes everything. As the two fall fiercely in love, Jase's family makes Samantha one of their own. Then in an instant, the bottom drops out of her world and she is suddenly faced with an impossible decision. Which perfect family will save her? Or is it time she saved herself? A dreamy summer read, full of characters who stay with you long after the story is over. From “a tremendously talented writer with a real gift for developing relationships between her characters” (Romantic Times)—an omnibus edition of her acclaimed romantic teen dramas *Going Too Far* and *Forget You*. In *Going Too Far*, rebel high school senior Meg has to spend her spring break riding along with a police officer on his nightshift patrol as punishment for getting busted for trespassing and underage drinking. Rookie cop, John After, is only two years older than Meg, and a former classmate to boot. He has nothing but contempt for her childish rebellion, and Meg in turn has nothing but contempt for Officer After's straight-laced, by-the-book attitude. But Meg has her reasons for lashing out, and John has his reasons for his need for law and order. And they're about to discover that they have a lot more in common than either one of them could have dreamed... In *Forget You*, Zoey's life in her Florida beach resort town is happy and organized. She's the captain of her high school swim team, and she works for her dad at his popular water park. Then her dad has an affair, and her mother has a breakdown. When Zoey begins a relationship with a hot lifeguard, she feels stable, and everything is still under control. Until she has a car accident that she can't remember. She should have been with her boyfriend that night, but he doesn't seem to know anything about the accident—and he doesn't seem to care. The person who does care, is Doug, Zoey's handsome arch-enemy who saved her from the wreckage. As Zoey begins to piece together what happened

that night, she finds her sense of control over her life was only an illusion. And she inches closer to discovering the darkest secret of all: why Doug has fallen in love with her. For Erin Blackwell, majoring in creative writing at the New York City college of her dreams is more than a chance to fulfill her ambitions—it's her ticket away from the tragic memories that shadow her family's racehorse farm in Kentucky. But when she refuses to major in business and take over the farm herself someday, her grandmother gives Erin's college tuition and promised inheritance to their maddeningly handsome stable boy, Hunter Allen. Now Erin has to win an internship and work late nights at a local coffee shop to make her own dreams a reality. She should despise Hunter . . . so why does he sneak into her thoughts as the hero of her latest writing assignment? Then, on the day she's sharing that assignment with her class, Hunter walks in. He's joining her class. And after he reads about himself in her story, her private fantasies about him must be painfully clear. Hayden and Nick used to be a hot item, but their brief affair ended with a highly publicized breakup. Now the two are "just friends," excluding the occasional flirtation. When Hayden wins the girls' division of a local

snowboarding competition, Nick is unimpressed, claiming that Hayden wouldn't have a chance against a guy. Hayden calls Nick's bluff and challenges him to a head-to-head boarding contest. Their mutual friends quickly take sides, the girls on Hayden's and the boys on Nick's, making for an all-out battle of the sexes. This friendly competition is bound to get heated -- and they might end up igniting some old flames. Four years after being kidnapped, sixteen-year-old Charlotte returns home to find her family ripped apart, but before she can try to reunite them, or help find the body of her captor's first victim, she must come to terms with her past. Two irresistible boys. One unforgettable summer. Lori can't wait for her summer at the lake. She loves wakeboarding and hanging with her friends—including the two hotties next door. With the Vader brothers, she's always been just one of the guys. Now that she's turning sixteen, she wants to be seen as one of the girls, especially in the eyes of Sean, the older brother. But that's not going to happen—not if the younger brother, Adam, can help it. Lori plans to make Sean jealous by spending time with Adam. Adam has plans of his own for Lori. As the air heats up, so does this love triangle. Will Lori's romantic summer melt into one hot mess? After the death of her father, Rose Zarelli struggles to control her feelings and manage her life as a freshman in high school. To get back up sometimes you have to fall down, hard . . . What's the point of pretending nothing has changed when everything has? It's the last summer before college, and Jonas Avery knows he should be excited. Instead, he hides out at home, avoiding his friends, his family, and everything that resembles his old life. Because nothing will be normal again—because of The Accident, when everything started falling apart. Brennan Davis knows she needs to stand up and face her anxiety—the deep, dark, debilitating dread that rules her everyday life. Because what stops her from going out into the world and just living is going to get a whole lot worse. She's leaving for college in the fall, where she'll be confronted with even more to worry about. When Jonas crashes into Brennan—in a harmless, albeit embarrassing fender bender—the two teens connect in ways they never expected. As friends, they help each other overcome their biggest falls and faults, and soon discover that while love can't fix everything, it's sometimes a place to start. Sensitive, wry, and unabashedly authentic, *The Opposite of Falling Apart* isn't about finding perfection in another person or fixing the things we think are broken. Instead, Micah Good has penned an enchantingly honest novel about accepting the very pieces of ourselves that make us unique, whole, and undeniably human. A sexy and poignant romantic tale of a young daredevil pilot caught between two brothers. When I was fourteen, I made a decision. If I was doomed to live in a trailer park next to an airport, I could complain about the smell of the jet fuel like my mom, I could drink myself to death over the noise like everybody else, or I could learn to fly. Heaven Beach, South Carolina, is anything but, if you live at the low-rent end of town. All her life, Leah Jones has been the grown-up in her family, while her mother moves from boyfriend to boyfriend, letting any available money slip out of her hands. At school, they may diss Leah as trash, but she's the one who negotiates with the landlord when the rent's not paid. At fourteen, she's the one who gets a job at the nearby airstrip. But there's one way Leah can escape reality. Saving every penny she can, she begs quiet Mr. Hall, who runs an aerial banner-advertising business at the airstrip and also offers flight lessons, to take her up just once. Leaving the trailer park far beneath her and swooping out over the sea is a rush greater than anything she's ever experienced, and when Mr. Hall offers to give her cut-rate flight lessons, she feels ready to touch the sky. By the time she's a high school senior, Leah has become a good enough pilot that Mr. Hall offers her a job flying a banner plane. It seems like a dream come true . . . but turns out to be just as fleeting as any dream. Mr. Hall dies suddenly, leaving everything he owned in the hands of his teenage sons: golden boy Alec and adrenaline junkie Grayson. And they're determined to keep the banner planes flying. Though Leah has crushed on Grayson for years, she's leery of getting involved in what now seems like a doomed business—until Grayson betrays her by digging up her most damning secret.

Holding it over her head, he forces her to fly for secret reasons of his own, reasons involving Alec. Now Leah finds herself drawn into a battle between brothers—and the consequences could be deadly. For as long as she can remember, Wren Gray's goal has been to please her parents. But as high school graduation nears, so does an uncomfortable realization: Pleasing her parents once overlapped with pleasing herself, but now . . . not so much. Wren needs to honor her own desires, but how can she if she doesn't even know what they are? Charlie Parker, on the other hand, is painfully aware of his heart's desire. A gentle boy with a troubled past, Charlie has loved Wren since the day he first saw her. But a girl like Wren would never fall for a guy like Charlie—at least not the sort of guy Charlie believes himself to be. And yet certain things are written in the stars. And in the summer after high school, Wren and Charlie's souls will collide. But souls are complicated, as are the bodies that house them . . .

Sexy, romantic, and oh-so-true to life, this is an unforgettable look at first love from one of young adult fiction's greatest writers. Praise for *The Infinite Moment of Us* **STARRED REVIEW** "The scenes of sexual intimacy are described with innocently erotic frankness, offering an ideal (if not idealized) model for readers on the cusp; this is Forever... for a new generation, offering character depth Cath and Michael never achieved. Summer love has never been so good." —Kirkus Reviews, starred review "In contrast to unhealthy depictions of sex and relationships that teenagers (and adults) are often exposed to in media and entertainment, Myracle offers up a passionate romance built on a bedrock of love, respect, and trust. And it's difficult to see that as a bad thing." —Publishers Weekly "Two mature recent high school graduates fall in love and bring out the best in each other in Lauren Myracle's thoughtful exploration of an intimate relationship...the relationship between Wren and Charlie always remains realistic and involving." —Shelf Awareness "This charming romance has multidimensional characters, straightforward sexuality, and a pace that lets readers fall in love with the main characters. Myracle expertly captures the intense connection of first love, from the need to spend every moment together to trying to figure out how to communicate with one another." —School Library Journal "The single-focus intensity of Wren and Charlie's feelings is spot-on for the age group... chapters move between both their perspectives as they grow into the relationship, offering readers of both sexes a rather compelling example of the how-to's of intimacy." —The Bulletin of The Center for Children's Books

There Are Some Summers You'll Always Remember Sometimes I wake up shivering in the early hours of the morning, drowning in dreams of being out there in the ocean that summer, of looking up at the moon and feeling as invisible and free as a fish. But I'm jumping ahead, and to tell the story right I have to go back to the beginning. To a place called Indigo Beach. To a boy with pale skin that glowed against the dark waves. To the start of something neither of us could have predicted, and which would mark us forever, making everything that came after and before seem like it belonged to another life. My name is Mia Gordon: I was sixteen years old, and I remember everything. Cozy up to a double dose of winter-themed romantic comedy with two books in one bind-up. Lexi has come up with a master plan to make Cameron break up with her: get him to fall for another girl so she'll be free (and guilt-free, too). But when the plan goes well—too well—Lexi starts to wonder if she hasn't made a terrible mistake. Has she let the perfect guy get away? And is it too late to get him back? Meanwhile, Hayden and Nick's steamy relationship has ended in a frosty breakup, and now they're just friends. But when they decide to go head-to-head in a boarding contest, the friendly competition gets heated. . . . Will sparks start to fly on and off the slopes? Eighteen-year old Bailey meets Sam, a young man who wants to take his high-school garage band to the big time and he wants Bailey to help them do it, but Bailey is not sure what she wants or where she stands with Sam. In this second book in *The Superlatives* trilogy from *Endless Summer* author Jennifer Echols, Harper and Brody think they're an unlikely match—but the senior class says they belong together. As yearbook photographer, Harper is responsible for those candid moments that make high school

memorable. But her own life is anything but picture perfect. Her parents' bitter divorce left her wondering what a loving relationship looks like. And ever since the senior class voted her and star quarterback Brody "Perfect Couple That Never Was," her friends have been pushing her to ask Brody out. Brody doesn't lack female admirers, but Harper can't see herself with him. He's confused about the match too. Yet they find themselves drawn together—first by curiosity about why the class paired them, then by an undeniable bond. The trouble is, though they're attracted to each other, they have a hard time getting along or even communicating well. If they're the perfect couple, this shouldn't be so difficult! Soon it becomes clear their class was wrong, and they throw in the towel. But they feel so changed from making the effort, they can't forget each other. What if this match made in hell is the perfect couple after all? Tia and Will's lives get flipped upside down when they're voted Yearbook's Biggest Flirts in this sassy novel from the author of *Endless Summer* and *The One That I Want*. Tia just wants to have fun. She's worked hard to earn her reputation as the life of the party, and she's ready for a carefree senior year of hanging out with friends and hooking up with cute boys. And her first order of business? New guy Will. She can't get enough of his Midwestern accent and laidback swagger. As the sparks start to fly, Will wants to get serious. Tia's seen how caring too much has left her sisters heartbroken, and she isn't interested in commitment. But pushing Will away drives him into the arms of another girl. Tia tells herself it's no big deal...until the yearbook elections are announced. Getting voted Biggest Flirts with Will is, well, awkward. They may just be friends, but their chemistry is beginning to jeopardize Will's new relationship—and causing Tia to reconsider her true feelings. What started as a lighthearted fling is about to get very complicated... Gemma can't believe her luck when Max starts flirting with her. So when he asks out her so-called best friend Addison, Gemma's heartbroken. Then Addison pressures Gemma to join the date with one of Max's friends. But the more time they all spend together, the harder Gemma falls for Max. How can Gemma get the guy she wants without going after her best friend's boyfriend? Cute, available, and one cabin over Lori lives for summertime on the lake. She spends all season wakeboarding, swimming, and hanging with her friends -- including the two hotties in the house next door. With the Vader brothers, Lori's always been one of the guys. But while Lori and the "baby" brother, Adam, are inseparable friends, she can't deny a secret crush on Sean, the older Vader boy. This year Sean's been paying Lori a lot of attention, and not in a brotherly way. But just as Lori decides to prove to Sean she's girlfriend material, she realizes that her role as girl friend to Adam may be even more important. And by trying so hard for the perfect summer romance, she could be going way overboard.... "An emotional masterpiece . . . A novel in which humor, passion, and superb prose conspire to seize a reader by the heart and by the soul." —New York Daily News From Barbara Kingsolver, the acclaimed author of *Flight Behavior*, *The Lacuna*, *The Bean Trees*, and other modern classics, *Animal Dreams* is a passionate and complex novel about love, forgiveness, and one woman's struggle to find her place in the world "Animals dream about the things they do in the daytime just like people do. If you want sweet dreams, you've got to live a sweet life." So says Loyd Peregrina, a handsome Apache trainman and latter-day philosopher. But when Codi Noline returns to her hometown, Loyd's advice is painfully out of her reach. Dreamless and at the end of her rope, Codi comes back to Grace, Arizona, to confront her past and face her ailing, distant father. What she finds is a town threatened by a silent environmental catastrophe, some startling clues to her own identity, and a man whose view of the world could change the course of her life. Blending flashbacks, dreams, and Native American legends, *Animal Dreams* is a suspenseful love story and a moving exploration of life's largest commitments. This edition includes a P.S. section with additional insights from Barbara Kingsolver, background material, suggestions for further reading, and more. The first novel in a sizzling new series about a public relations firm, the stars they represent, and everything they'd rather keep private. He said . . . She said. Publicist Wendy Mann has always competed hotly with her rival Daniel Blackstone, but this time they're headed for a collision. Wendy's job is on the line if she doesn't save the image of a spoiled young starlet who's posting provocative pictures of herself all over the Internet in a snarky attempt at revenge on her former boyfriend. Daniel is representing the ex, a onetime teen heartthrob who never grew up. With the feuding Hollywood pair scheduled to appear on the same Las Vegas awards show, Daniel and Wendy are determined to do whatever it takes to defend their own clients. Unfortunately, the chemistry between Wendy and Daniel is even more explosive than that of their Hollywood stars. L-O-V-E was always a four-letter word for these two ultra-competitors; they never counted on the scorching heat that erupts between them. Their careers are on the line, and so is Wendy's life. . . . High school senior Meg revels in being a rebel; cutting class whenever possible and hanging out anywhere she's not supposed to be. Like on a railroad-tracks-covered bridge that's off-limits to trespassers. When she and her friends are busted for trespassing and underage drinking, she's sentenced to spend her spring break riding along with a rookie police officer on his nightshift patrol. To make things worse the cop, John After, is only two years older than Meg, and is sure that he knows all he needs to about her. John has nothing but contempt for her childish rebellion, but that's fine, because the feelings mutual - his straight-laced, by-the-book attitude is everything that Meg hates. But they're about to discover that they have a lot more in common than either one of them could have dreamed and, as they're forced to spend time together, sparks fly and a hot attraction between them becomes undeniable... Marching to the beat of a different drum... Tired of the beauty-pageant circuit, Virginia Sauter tosses her tiara, pierces her nose, and auditions for the most unlikely of roles -- drum major of the high school marching band. Virginia wins, but is forced to share the title with Drew, whose family has held the position for generations. Sure, Drew is hot, but because of his superior attitude, he and Virginia are constantly arguing. That is, until they share more than just their half-time salute... But as the drum major's heated competition turns to sizzling romance, explosive rumors threaten everything -- including the band's success. Love seemed to be a sure hit, but Virginia and Drew may be marching straight into disaster. In this sexy conclusion to The Superlatives trilogy from Endless Summer author Jennifer Echols, Sawyer and Kaye might just be perfect for each other—if only they could admit it. As vice president of Student Council, Kaye knows the importance of keeping order. Not only in school, but in her personal life. Which is why she and her boyfriend, Aidan, already have their lives mapped out: attend Columbia University together, pursue banking careers, and eventually get married. Everything Kaye has accomplished in high school—student government, cheerleading, stellar grades—has been in preparation for that future. To his entire class, Sawyer is an irreverent bad boy. His antics on the field as school mascot and his love of partying have earned him total slacker status. But while he and Kaye appear to be opposites on every level, fate—and their friends—keep conspiring to throw them together. Perhaps the seniors see the simmering attraction Kaye and Sawyer are unwilling to acknowledge to themselves... As the year unfolds, Kaye begins to realize her ideal life is not what she thought. And Sawyer decides it's finally time to let down the facade and show everyone who he really is. Is a relationship between them most likely to succeed—or will it be their favorite mistake? This bind-up features two repackaged fan-favorite novels that are sure to delight readers of Stephanie Perkins, Jennifer Echols, and, of course, Catherine Clark. Andre, Ariel begins to learn that sometimes you just have to go where the road takes you—even if the tour bus won't. A sexy romance that fans of Simone Elkeles and Jamie McGuire will fall in love with... There's a lot Zoey would like to forget. Like how her father has knocked-up his twenty-four-year-old girlfriend. Like her mom's nervous breakdown. Like Doug, the darkly handsome bad boy, who taunts her at school... Worried that her life is becoming a complete mess, Zoey fights back the only way she knows how, by making sure that she's perfect - the perfect daughter, the perfect student and the perfect girlfriend to ultra-popular football player, Brandon. But then Zoey is in a car crash and can't remember anything about the night it happened. She should have been with Brandon, but he doesn't seem to know anything about the accident - and, more confusingly, doesn't seem to care. Only Doug, who saved her from the wreckage, has the answers Zoey so desperately needs, but he's the last person she wants to rely on, especially as he's acting like something happened between them that night. Which can't be true, can it? But with her thoughts full of Doug and strangely empty of Brandon, Zoey starts to question her feelings for the two boys and whether being perfect is more important than following your heart. They said it couldn't be done, but geeky sophomore Lauren Carlson transformed herself into a popular girl after moving to a new school half-way across the country. Amazing what losing your braces and going out for cheerleading will do. Only trouble is, the popular crowd is wearing on Lauren's nerves and she can't wait to return to summer camp where she's valued for her brain instead of her handsprings. She misses her old friends and most of all, her long time camp-only boyfriend, Seth. This year she intends to upgrade their relationship to year-round status once she's broken up with her new, jock boyfriend, Matt. He doesn't begin to know the real her, a girl fascinated by the night sky who dreams of discovering new planets and galaxies. But Matt isn't giving up without a fight. As he makes his case to stay together, Lauren begins to realize his feelings run deeper than she ever would have guessed. What if the guy
