**Titian to 1518** Aug 16 2022 The work that Titian produced during the first decade of his career is beautiful and varied, but it has raised many questions of attribution and chronology. This book - the first thorough and coherent account of this period in Titian's life - reconstructs what he painted, when he painted it and what these paintings mean. Paul Joannides begins by discussing the probable course of Titian's early career and his relationship to the Bellinis. There are individual excursions on Giorgione and on Sebastiano del Piombo whose work has often been confused with his. Joannides then offers new interpretations of some of Titian's paintings, emphasising their poetic and dramatic qualities. Among other topics, he associates for the first time the paintings in Saint Petersburg, Venice and Houston; lays out Titian's part of the Fondaco; connects the privately owned Resurrected Christ with the Fogg Circumcision; integrates the Dresden Venus and the Berlin Portrait into Titian's work; and establishes the dynamism and inventiveness of the great Assunta of 1516-18. Joannides provides detailed arguments in support of both new and familiar attributions, proposes a more closely reasoned and precise chronology

**Spirituality in Hospice Palliative Care** Jan 21 2023 Explores the end-of-life spiritual needs of people who do not identify with traditional religions. This groundbreaking book addresses the spiritual aspect of hospice care for those who do not fit easily within traditional religious beliefs and categories. A companion volume to *Religious Understandings of a Good Death in Hospice Palliative Care*, this work also advocates for renewed attention to the spiritual, the often overlooked element of hospice care. Drawing on data from clinical case studies, new sociological research, and the perspectives of agnostics, atheists, those who emphasize the spiritual rather than institutional dimensions of a traditional religion, and the rapidly growing cohort of those who describe themselves as spiritual-but-not-religious, the contributors to this volume interpret the shift from predominantly Christian-based pastoral services to a new approach to 'the spiritual' shaped by the increasing diversity of Western societies and new understandings of the nature of secular society. How do we use it in a way that enables caregivers to assist patients? Clinicians and policy makers will appreciate the book's practical recommendations regarding staff roles, training, and resource allocation. General readers will be moved by the persuasive call for greater religious and spiritual literacy at every level of health care in order to respond to the full spectrum of human needs in life and in death.

*Three Men in a Boat* May 13 2022 "I had the general symptoms, the chief among them being a disinclination to work of any kind." So begin the hilarious misadventures of a merry, but scandalously lazy band of well-to-do young men-and a plucky and rather world-weary fox terrier named Montmorency-on an idyllic cruise along the River Thames. Feeling seedy, muses one of them dreamily, "What we want is rest." What they find instead is one hapless catastrophe after another. Soggy weather, humiliating dunkings, the irritating behavior of small boats and the "contrariness of teakettles" are just a few of the barbarisms our genteel heroes are forced to endure. But which a delighted reader can only sing, Hooray! First published in 1889, *Three Men in a Boat* was an instant success, and Jerome has been compared to comic master P.G. Wodehouse. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Cody* Nov 26 2020 Codys mother dies before she can answer the fifteen-year-olds question: Who is my father? Homeless, Cody is first aided by a kindly landlady, later abruptly forced into a sadistic foster home. He flees in desperate search for his real father, but is caught and put into a juvenile facility, from which he narrowly escapes. Free again, he hitchhikes across country, running into people who help, but hindered by others. Jobless and penniless, he learns to survive on the brutal streets. Cody discovers shocking facts about his mother, and as he continues his search, discovers truths about himself before he finds a solution.

*Six Bits a Day* Mar 11 2022 Hewey Calloway, one of the best-loved cowboys in all of Western fiction, returns in this novel of his younger years as he and his beloved brother Walter leave the family farm in 1889 to find work in the West Texas cow country. The brothers are polar opposites. Walter pines for a sedate life as a farmer, with wife and children; Hewey is a fiddle-footed cowboy content to work at six bits--75 cents--a day on the Pecos River ranch owned by the penny-pinching C.C. Tarpley. Hewey, who "usually accepted the vagaries of life without getting his underwear in a twist", is fun-loving and whiskey-drinking. He spends every penny he earns and regularly gets into trouble with his boss--and occasionally with the law--often dragging innocent Walter along. When Walter falls in love with a boarding house girl and begins dreaming of a farmer's life, Hewey jumps at the chance to rescue him from this fate worse than death. He convinces Walter to join him on a mission for Tarpley, driving 600 head of cattle from beyond San Antonio to the Double-C ranch on the Pecos. The journey is both memorable and dangerous: a murderous outlaw is searching for Hewey; and another ruthless character is determined to sabotage the cattle drive. When the drovers reach the Pecos they find Boss Tarpley in the midst of a vicious range feud with Eli Jessup, a neighboring cowman. Hewey and his brother Walter have to get the herd safely across Jessup's land-but how? The events of *Six Bits a Day* precede those of *Kelton's* bestselling *The Good Old Boys* (1978, transformed into the memorable 1995 movie starring Tommy Lee Jones and Sissy Spacek), and *The Smiling Country* (Forge, 1998). At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Sadian Reflections** Nov 07 2021 "This study encompasses many aspects of Sade's work: the role of the gaze and its importance, food in Sade's world, connections between literary genres and the Sadian worldview, interrelations of writing and masturbation, the link between sexuality and philosophy (especially in homosexual and lesbian contexts), the Sadian chain of violence, liberty, and happiness, and finally a discussion of love and its place in the savage and free world that Sade tried to create. In addition, the book bridges the gap between Sade's world and ours in a discussion of works by Lacan and Derrida, thus expressing hidden strata of Sadian notions and their critical role in shaping and constructing contemporary thought."--BOOK JACKET.

**Monsters in Jerome** Nov 19 2022 Jerome is famous for being a ghost town. People even made a living taking tourists on ghost tours. Some believe it is real, some not so much. Jae wanted to believe in the supernatural. Her favorite holiday is Halloween, but every year she has been disappointed with the lack of real paranormal. This year looked up to be the same, but little did she know her life is about to take a turn.

**Haunted Jerome** Oct 18 2022 Discover just how Jerome, Arizona, became known as "America's Largest Ghost Town"—and what spirits walk its historic streets. Jerome was once home to the largest copper mine in Northern Arizona, built on the steep terrain of Cleopatra Hill. The small town, population fifteen thousand at its peak, was shockingly nefarious. Diversions for the hardworking miners came by way of saloons, gambling and ladies of the evening. Shootouts and murders, violent accidents in the mines and smelters and fires and diseases scourged its denizens. Life was tough on the mountain—death came too soon for many. When the copper mine closed in 1953, Jerome was rendered a ghost town, and its spirits still lurk among the living. The stories in this book will convince you they are here for a reason. Includes photos!

**Heresy** Apr 19 2020 When fugitive Italian monk Giordano Bruno—philosopher, magician, and heretical scientist—arrives in London, he's only one step ahead of the Inquisition. An undercover mission for Queen Elizabeth I and her spymaster provides added protection. Officially, Bruno is to take part in a debate on the Copernican theory of the universe at Oxford University; unofficially, he is to find out whatever he can about a Catholic plot to overthrow the queen. But when his mission is dramatically thrown off course by a series of grisly deaths and the charms of a mysterious but beautiful young woman, he realizes that somewhere within Oxford's private chambers lurks a brutal killer. . .

**Good Reasons for Better Arguments** Mar 31 2021 This text introduces university students to the philosophical ethos of critical thinking, as well as to the essential skills required to practice it. The authors believe that Critical Thinking should engage students with issues of broader philosophical interest while they develop their skills in reasoning and argumentation. The text is informed throughout by philosophical theory concerning argument and communication—from Aristotle's recognition of the importance of evaluating argument in terms of its purpose to Habermas's developing of the concept of communicative rationality. The authors' treatment of the topic is also sensitive to the importance of language and of situation in shaping arguments, and to the necessity in argument of some interplay between reason and emotion. Unlike many other texts in this area, then, *Good Reasons for Better Arguments* helps to explain both why argument is important and how the social role of argument plays an important part in determining what counts as a good argument. If this text is distinctive in the extent to which it deals with the theory and the values of critical thinking, it is also noteworthy for the thorough grounding it provides in the skills of deductive and inductive reasoning; the authors present the reader with useful tools for the interpretation, evaluation and construction of arguments. A particular feature is the inclusion of a wide range of exercises, rich with examples that illuminate the practice of argument for the student. Many of the exercises are self testing, with answers provided at the back of the text; others are appropriate for in-class discussion and assignments. Challenging yet accessible, *Good Reasons for Better Arguments* brings a fresh perspective to an essential subject.

Elusions of Love Feb 10 2022 "I was afraid if-I saw you too often I should want to marry you so much that I would want nothing else, not even to help other people," said Jerome. "Why need you think about marrying? Can't you come to see me like a friend? Can't we be happy so?" asked Lucina, with a kind of wistful petulance. "I needn't think about it, and we can-" "I don't want to think about marrying yet," said Lucina; "I don't know as I shall ever marry. I don't see why you should think so much about that." "I don't," said Jerome; "I shall never marry." "You will, some time," Lucina said, softly. "No; I never shall." Lucina turned. "I must go in," said she. Her hand and Jerome's found each other, with seemingly no volition of their own. "I am glad you didn't come because you didn't like me," Lucina said, softly; "and we can be friends and no need of thinking of that other." "Yes," Jerome said, all of a tremble under her touch; "and-you won't feel offended because I told you?" "No, only I can't see why you stayed away for that."

**Blackthorn Winter** Feb 22 2023 In April, when blackthorn blossom clothes the hedgerows like a wedding veil, there sometimes comes a spell of frost or snow so severe that it seems as if spring and summer will never return. This is what country people call a blackthorn winter. For Claudia Barron, the blackthorn winter of that particular April is like a metaphor for her whole life: for the end of glamour, financial security and marriage. Her rich and powerful husband has been sent to prison, leaving her homeless and virtually penniless. Hopeless to cling to the remnants of her old life, pointless to stand by a man who has betrayed her in almost every way a man can betray a woman. Instead she goes into hiding, buys the only house she can afford in the Dorset village of Court Barton - a hideous bungalow built in an old kitchen garden - and changes her name. Under a cloak of anonymity she sets out to get herself a job in the local school. But villages don't much like anonymity and before very long Claudia finds herself drawn into the gossip and the grumbling, the lives and loves and quarrels of Court Barton in a way that she had never expected. In the end, Sarah Challis deftly shows that Blackthorn winters always give way to hopeful springs.
