A fiercely driven Broadway star on the rise, blessed with beauty, charm, and a fondness for the finer things in life, she appears to be his ideal mate. Ducks, Newburyport Mar 18 2020 SHORTLISTED FOR THE 2019 BOOKER PRIZE Baking a multitude of tartes tatin for local restaurants, an Ohio housewife contemplates her four kids, husband, cats and chickens. Also, America's ignoble past, and her own regrets. She is surrounded by dead lakes, fake facts, Open Carry maniacs, and oodles of online advice about survivalism, veil toss duties, and how to be more like Jane Fonda. But what do you do when you keep stepping on your son's toy tractors, your life depends on stolen land and broken treaties, and nobody helps you when you get a flat tire on the interstate, not even the Abominable Snowman? When are you allowed to start swearing? With a torrent of consciousness and an intoxicating coziness, *Ducks, Newburyport* lays out a whole world for you to tramp around in, by turns frightening and funny. A heart-rending indictment of America's barbarity, and a lament for the way we are blundering into environmental disaster, this book is both heresy—and a revolution in the novel.

Pamela Dec 27 2020 Fiction. "While the new sentence the prose wing of Language writing strips narrative down to pointed sets of shifting referents, Lu, in her debut, knowingly resuscitates it, creating a precise and humorous elegy to the self, and to its self-subversions. This quasi-bildungsroman charts the emergence of an 'I' (not 'P' and not 'Pamela,' though the three characters do appear together) into a 20-something Bay Area, with memories of a suburban childhood close on her heels.... This is a book of extraordinary philosophical subtlety and clarity, one that manages to tell a beautiful story in spite of itself" Publishers Weekly."

But Come Ye Back Dec 07 2021 From Beth Lordan, the critically acclaimed author of *August Heat* and *And Both Shall Row* comes *But Come Ye Back*, an evocative and heartfelt novel in stories that explores the rhythms of marriage over three decades. Mary Curtin, a young Irish nanny, and Lyle Sullivan, an American accountant, meet and fall in love at a picnic. For thirty-some years, Lyle, an impatient and demanding husband, makes a life for them in America. Through those years the accommodating Mary makes a home for them, where they raise two sons. But when Lyle retires, Ireland calls to Mary: she wants to grow old among her own kind, where the ocean is near and the butter has flavor. She wants to go home. Somewhat grudgingly, Lyle agrees, but during their years in Galway, they discover that the surprises of life are not over. Going home is more complicated than butter and the bay, and thirty contented years does not mean that a couple is immune to romantic intrigue. Their bond is tested when Lyle meets a beautiful American woman and Mary finds a lonely Irish man. Yet for both, marriage is more than romance, home is more than a country. In this new life, Mary and Lyle will rediscover each other and are building a richer life together when an unexpected event forces Lyle to decide where his home truly is. Lordan's stirring novel illuminates the complex emotional terrain of mature marital relationships, providing an unforgettable testament to the lifelong journey undertaken when lives intersect and intertwine. Masterful in its evocation of character and place, and suffused with the rhythms and flavors of the Irish seaside, *But Come Ye Back* is an astonishing and infinitely wise reflection on love in all its guises.

Bina May 12 2022 A provocative, feminist novel about a woman who persists in spite of the violence, injustice, and oppression that fills her world. Bina is a woman who's had enough and isn't afraid to say so. "I'm here to warn you, not reassure you," she announces at the book's outset. In a series of taut, urgent missives she attempts to set the record of her life straight, and in doing so, to be useful to others. Yet being useful is what landed her in jail. Empathy is her Achilles' heel. Her troubles seem to stem from an injured stranger named Eddie, and they multiply when her charity extends from delivering meals to the elderly to working with the dying. No good deed of hers goes unpunished and the costs of her capacity for care are legion, as one by one she is denied her livelihood, her health, and her freedom, but her voice continues resolutely, an act of friendship in itself. *Bina* is an unsettling, thought-provoking novel of formal inventiveness and moral and emotional complexity by a bold and talented writer.

The 48 Laws of Power Sep 23 2020 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Melville: A Novel Feb 09 2022 Originally published to promote his French translation of *Moby-Dick*, Jean Giono's *Melville: A Novel* is an astonishing literary compound of fiction, biography, personal essay, and criticism. In the fall of 1849, Herman Melville traveled to London to deliver his novel *White-Jacket* to his publisher. On his return to America, Melville would write *Moby-Dick*. *Melville: A Novel* imagines what happened in between: the adventurous writer fleeing London for the country, wrestling with an angel, falling in love with an Irish nationalist, and, finally, meeting the angel's challenge—to express man's fate by writing the novel that would become his masterpiece. Eighty years after it appeared in English, *Moby-Dick* was translated into French for the first time by the Provençal novelist Jean Giono and his friend Lucien Jacques. The publisher persuaded Giono to write a preface, granting him unusual latitude. The result was this literary essay, *Melville: A Novel*—part biography, part philosophical rumination, part romance, part unfettered fantasy. Paul Eprile's expressive translation of this intimate homage brings the exchange full circle. Paul Eprile was a co-winner of the French-American Foundation's 2018 Translation Prize for his translation of *Melville*.

How to Write a Novel in 20 Pies Jun 01 2021 Providing comfort food and inspiration for the aspiring novelist, *How To Write a Novel in 20 Pies* offers novelist and writing coach Amy Wallen's insider secrets on living the writing life. Filled with chapters about writing, revising, submitting to an agent, and book promotion, this book combines Wallen's experienced writing advice with the brilliant illustrations of Emil Wilson, including recipes for literary success and the full recipes for 20 sweet and savory pies. As a novelist, memoirist, and associate director of the New York State Summer Writers Institute, Amy Wallen has a few things to say about the writing world, many of them irreverent and snarky. From her perspective as a teacher, mentor, and published author, her belief is that the way to survive the hard knocks of writing a book and trying to get published is to bust a gut working, laughing, and eating pie. With chapters including "Oh Agent, Where Art Thou?", "Revising, Rewriting, and Reimagining," and "The Joy of Rejection," Wallen balances out the challenging stages of the writing process with both sweet and savory goodness, featuring recipes for chocolate pecan pie, salmon and portobello pie, and the recipe for the best cherry pie ever. Throughout the book, Wallen demystifies the vagaries of the publishing business, providing delicious recipes that will keep your belly full even when you're staring at an empty page. Her writing advice is neatly paired with the brilliant illustrations of Emil Wilson, who shares her sharp wit, sardonic look at the demands of the writing life, and her mad love of pie. Combined, the stories, lessons, images, and recipes will provide encouragement and camaraderie for the novel-writing journey, from putting pen to page, to finding an agent, to celebrating publication--all with a piece of pie.

White Collar Jan 20 2023 "The struggles and injustices faced by workers during the Great Depression spring to graphic life in this powerful wordless novel, which traces a middle-class family's downward spiral. Recounted in 128 black-and-white linocuts by artist Giacomo Patri, *White Collar* remained largely undiscovered for decades because of its controversial depictions of class struggle, unionization, and abortion. Patri was forced to print his masterwork privately in limited quantities; this magnificent, first-ever hardcover version is lovingly reproduced from a self-published edition. In the Field Dec 19 2022 In 1920 an aspiring geneticist escapes into her studies as she grapples with her sexuality, but the world of science comes with its own troubles. In 1920, having persuaded her resistant mother to send her to college, Kate Croft falls in love with science. Painfully rebuffed by a girl she longs for, and in flight from her own confusing sexuality, Kate finds refuge in the calm rationality of biology: its vision of a deeply interconnected world, and the promise that the new field of genetics can explain the way people are. But science, too, turns out to be marred by human weakness. Despite her hard work and extraordinary gifts, Kate struggles, facing discrimination, competition, and scientific theft. At the same time, a love affair is threatened by Kate’s obsession with figuring out the meaning of the puzzling changes she sees in her experiments. In the Field explores what it takes to triumph in the ruthless world of mid-twentieth-century genetics, following Kate as she decides what she is—and is not—willing to sacrifice to succeed. “[A] faithful, patient reimagining of Daphne du Maurier’s novel . . . The writing at times is so fine you wish this weren’t a retold story. . . . Alena is . . . a brilliant take-down of the self-serious art world, rendering it helplessly camp by sprinkling some of its august and/or provocative names . . . over this . . . pop-culture totem.” —The New York Times Book Review “Luminous and sure-footed . . . The triumph of Pastan’s story is that it manages to be more than a companion piece to du Maurier’s. Alena proves itself an intriguing and substantial novel on its own merits, while still offering the kind of gothic plunge we remember and crave from our younger years.” —The Washington Post “Like a good reproduction, Alena preserves important trademarks of the original art—creepy and claustrophobic.” —Entertainment Weekly

Ada Moore's Story Aug 23 2020

Middlesex Jan 28 2021 Spanning eight decades and chronicling the wild ride of a Greek-American family through the vicissitudes of the twentieth century, Jeffrey Eugenides’ witty, exuberant novel on one level tells a traditional story about three generations of a fantastic, absurd, lovable immigrant family -- blessed and cursed with generous doses of tragedy and high comedy. But there’s a provocative twist. Cal, the narrator -- also Callie -- is a hermaphrodite. And the explanation for this takes us spooling back in time, through a breathtaking review of the twentieth century, to 1922, when the Turks sacked Smyrna and Callie’s grandparents fled for their lives. Back to a tiny village in Asia Minor where two lovers, and one rare genetic mutation, set our narrator’s life in motion. Middlesex is a grand, utterly original fable of crossed bloodlines, the intricacies of gender, and the deep, untidy promptings of desire. It’s a brilliant exploration of divided people, divided families, divided cities and nations -- the connected halves that make up ourselves and our world.
