

Read Free IVF And Infertility Our Journey A True Story Of One Couples Struggle Against The Odds Pdf For Free

Triple Treasures Jan 29 2021 Triple Treasures chronicles the struggles of the author and her husband with infertility and their ensuing experiences with expecting, giving birth to, and surviving the first year with triplets.

Family Bound Dec 20 2022 Statistics show that over two million couples will experience some type of infertility issue when they try to become pregnant. However, when you are one of those two million, you feel completely alone and believe that no one can truly understand what you are going through. This honest and revealing book documents one couple's long and arduous journey to become parents from the eyes of the author. The longer this process took, the more emotional and difficult things became, and the more the author relied on this journal to sort out all the emotions she was having. She never expected that this journal would last for years, hundreds of hormone shots and pills, blood draws, surgical procedures, terrorist attacks, international flights and the most emotional and financial roller coaster that she had ever been on. But she and her husband were desperate to become parents, to have their own child to love, to hug, to experience life with. By sharing their experience, this book offers insight into the emotional, physical and sociological effects infertility has on a couple's relationship, their families, friends and themselves as individuals. It also provides in-depth detail of popular infertility treatments, domestic and international adoption processes.

The Trying Game Sep 05 2021 From the author of "Fertility Diary" for the New York Times Motherlode blog comes a reassuring, no-nonsense guide to both the emotional and practical process of trying to get pregnant, written with the smarts, warmth, and honesty of a woman who has been in the trenches. "A compassionate, often funny, well-researched, and ultimately empowering guide."—Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone* There are so many ways to be Not Pregnant: You can be young, old, partnered, or unpartnered. Maybe you have endometriosis. Maybe you don't have enough eggs or your partner doesn't have enough sperm. Or maybe there's nothing wrong except you're Just. Not. Pregnant. Amy Klein has been there. Faced with fertility obstacles, she quickly became an expert. After nine rounds of IVF, four miscarriages, three acupuncturists, two rabbis, and one reproductive immunologist, she finally became a mother. And she wrote about it all for the New York Times Motherlode blog in her "Fertility Diary" column. Now, Amy has written the book she wishes she'd had when she was trying to get pregnant. With advice from medical experts as well as real women, she outlines your options every step of the way, from questions you should ask to advice on getting your mother-in-law to mind her own

beeswax. In this comprehensive road map to infertility, you'll find topics such as: • whether to freeze your eggs • finding (and affording) a clinic • what to expect during your first IVF cycle • baby envy—aka it's okay to skip your friend's shower • whether the alternative route—acupuncture, herbs, supplements—is for you • helpful tips, charts, and more! Empowering, compassionate, and down-to-earth, *The Trying Game* will show you what to expect when you're not expecting with heart and humanity when you need it the most.

The Infertility Journey Jan 21 2023 Infertility affects about 15 percent of all couples (1 in 7) in the United States, and occurs equally among women and men. When it affects you, it can quickly become one of the most trying times in your life. Your infertility journey, however, does not have to be so difficult. By being empowered with the right information, you can make the right choices ... leading to the most efficient path to success. This unique book is simple yet powerful, and sets you on the right path. It includes the most pertinent medical information that is easy to understand (such as ovulation induction, IUI, IVF, ICSI, PCOS, endometriosis, tubal disease, decreased ovarian reserve, uterine disorders, male factor, fertility preservation, preimplantation genetic screening / PGS / PGD, and reproductive surgery / hysteroscopy / laparoscopy). It also has chapters on social stressors (family, friends, job) and alternative therapies (acupuncture, herbs, yoga, diet). Furthermore, it has anonymous quotes from many infertility patients to put real voices behind the disease. You are not alone. This comprehensive book will serve as a trusted companion on your journey to parenthood. *The Infertility Journey* is an ideal book to help anybody dealing with infertility. It is also a useful educational resource for anybody who knows someone going thru fertility treatment. This book will greatly improve your understanding of the infertility pathway. The Truth Behind the Secret "Infertility" Jun 02 2021 A personal journey through infertility and motherhood. The story is a non-fiction book that explores the science of infertility and it tells a personal story.

Inconceivable Oct 06 2021 The author shares her struggles with infertility on the road to motherhood.

In Due Time Dec 16 2019 In this raw and honest memoir, Jen Noonan authentically shares her journey to start and complete a family. Leading readers on a roller coaster of triumphs and losses, she richly details her experience working with the Colorado Center for Reproductive Medicine, one of the nation's leading reproductive endocrinology clinics. Readers walk away with a deeper understanding of the physical and emotional process of trying to build a family through medication, Intrauterine Inseminations, and In Vitro Fertilization. *In Due Time* strikes a chord with millions of men and women worldwide attempting to build a family. It is a must read for anyone who has struggled to conceive a child, is currently struggling to conceive, has experienced a miscarriage, wants to support a loved one, or wishes to gain knowledge about infertility.

Making Angels Jun 21 2020 A Story of Blessings on Our Journey to Have Children after the Heartache of Infertility, Miscarriage, and Late-term Pregnancy Loss; also a story about my spiritual journey along the way as well as details about our surrogacy

agreement

Longing for a Child Jul 15 2022 My story is different from yours, but the pages of our lives share a common theme. Silent suffering. The longing for a child. Think of my book as your companion of hope, a ray of sunshine, to shine truth, encouragement, and perspective on your situation. ---Kathe Wunnenberg Infertility is a deeply private pain that is often misunderstood by those who have not experienced its seasons of longing and loss. Whether you recently tried to have a child or have struggled for years to conceive, *Longing for a Child* is a compassionate companion full of hope, healing, and practical help. Offering biblical perspectives and moving stories of others who have struggled with infertility, sixty heartfelt devotions connect you securely to God during this time of waiting, heartbreak, and questioning. Each devotion contains a Scripture, short thematic story, prayer, reflective questions, and a space for journaling. Meditations for special occasions, such as Mother's Day, are also included. An encouraging devotional companion that can be used by individuals, couples, or groups, *Longing for a Child* speaks directly to the heart, meeting you wherever you are on your journey through infertility.

Fighting Infertility Jul 23 2020 Samantha Busch uses her voice to break the silence that surrounds the infertility community in this raw and relatable account of her journey with IVF, loss, and faith. Samantha Busch, wife of NASCAR champion Kyle Busch, knows the thrill of the racing circuit, but she also knows the heartache and despair of infertility. She shares both in this honest and relatable account where faith, family, love, and loss intersect. As Samantha's and Kyle's public lives grew more pronounced, their private life was being torn apart. The frustrations and uncertainty of their fertility problems took a toll on them as individuals and as a couple, creating a cyclone of emotions that threatened everything they had worked so hard for. Through these trials, they learned how to build a stronger relationship, foster a deeper faith, and find humor through the tears. They also discovered a passion for helping other couples gain access to fertility treatments. In this memoir, Samantha uses her voice to break the silence and stigma that surround the infertility community. She details her battle with infertility, including her IVF experience, her miscarriage, a failed cycle, and the overwhelming grief and depression that surrounded these obstacles. By sharing practical advice as well as candid and inspiring stories of her journey, she provides support, validation, community, and education for others experiencing similar tribulations. *Fighting Infertility* is an opportunity to feel understood, to gain strength through the struggle, and to ignite your inner warrior.

The Underwear in My Shoe: My Journey Through IVF, Unfiltered May 21 2020
While In Waiting Aug 24 2020 Did you know that 6.1 million women in America face infertility? Despite that shocking statistic, many women feel alone in their struggle to conceive. Angela was one of those women. She felt alone and ashamed in her struggle with infertility until God provided miracle after miracle for her family and an incredible community of infertility warriors that have carried her through. In her story of heartbreak and hope, Angela shares her journey with infertility, IVF, and the birth of her beautiful baby boy to encourage other women who struggle with infertility. Through her honesty, humor, and encouragement, you are sure to be inspired by Angela's journey and filled with renewed hope for the battles you are facing.

Not Pregnant May 13 2022 Maybe you have suffered a miscarriage. Maybe you have been told you cannot have children. Maybe you have followed every bit of advice from every doctor and self-help book, but you still aren't seeing that pink plus sign. Many women face the disheartening struggle of infertility in silence. Between the feelings of shame, the strain on marriages, and the loads of money spent on medicines and failed procedures, they don't want to admit what they often see as a personal flaw: that they cannot bear children. After four miscarriages and years of infertility, Cathie Quillet felt stuck and alone in her negative emotions. In *Not Pregnant*, Quillet offers a place for women who are experiencing infertility to come together, validate their emotions, and let go of their pain. This motivational and comforting book addresses infertility's effects on sex and marriage, handling the public's general ignorance about infertility, miscarriages, the plethora of emotions experienced, hormonal changes with fertility medications, and how to move on with your life. With real stories from women who have been there and an added scientific perspective from ob-gyn Dr. Shannon Sutherland, *Not Pregnant* is the emotional companion you need when it seems like no one else gets it. "

Abundantly Empty: Surviving the Fertility Journey with Grace - My True Story of Hope May 01 2021 "Becoming a mother has been my deepest desire. But it's not happening. Now what?" Through her very open and honest first-hand account of her seven-year struggle to conceive, titled *Abundantly Empty*, Cathy hopes to help remove the stigma, improve understanding and provide inspiration to others on how to cope and keep moving forward. *Abundantly Empty* delves deep into the world of infertility and offers an insightful 360-degree perspective, with informative contributions from leading fertility specialists, including Professor Thabo Matsaseng, and her clinical psychologist, as well as input from her husband Julian, family and friends. The egg donors and surrogates share their experiences too. In clear, direct 'journal' language, the book traces the highs and lows, the elation and intense grief of the infertility rollercoaster. It also explores its impact on Cathy's marriage, her friendships and her career. The primary reason for writing this book, Cathy says, was to send a 'You are not alone' message to other couples battling to start a family, to break the silence and increase understanding of what it takes to survive infertility and retain hope, courage and meaning. *Abundantly Empty* is an emotionally gripping, heart-warming and useful must-read not just for those on the fertility journey, but also for those on the sidelines who want to provide support, but don't know how. ... "Cathy's detailed account of infertility's complex journey will be both fascinating and insightful to many people struggling with infertility." Dr Paul le Roux, CEO, Cape Fertility Clinic "Cathy's story is frank, honest, insightful." *Women & Home*

Swimming Aimlessly Jun 14 2022 Using his own journey as inspiration, writer Jon Waldman offers this heartfelt and funny guide for men and couples struggling with infertility. Take a moment to scroll through the contacts on your phone or your friends on Facebook. One in six of them is struggling with infertility. The affected women have most likely reached out to family, close friends, support groups, or online communities. They ask for the help they need, and often get it on behalf of themselves and their partners. But men don't always handle infertility well. Regardless of the underlying cause, the inability to conceive naturally can be extremely painful. The resulting feelings

of inadequacy, shame, and isolation can change how a man acts towards those closest to him. But Jon Waldman wants to change that. In *Swimming Aimlessly*, Waldman shares his family's infertility story, a years-long, crazy expensive, physically and emotionally exhausting ride. He also speaks with other couples, doctors, and fertility experts, providing not only the latest science, but more intimate advice about the ups and downs of trying to conceive, keeping the partnership healthy, and dealing with the inevitable losses that come—even when the journey ends in a baby.

Spiritual Fertility Dec 08 2021 “The dynamic spark that is responsible for creating each new human being cannot be reduced to a mass of cells and biochemical processes. There is a deeper mystery at play that women who are struggling with fertility can tap into.” This book explains how to use the tools of spirituality and psychology to relax the endocrine system, change your perspective, and get pregnant. Everyone is fertile; however, our common standards for measuring fertility are faulty. Today, our currently accepted narratives around fertility offer much in the way of diagnosis, but little in the way of customized care and consideration of a woman's entire mind, body, and spirit. The dynamic spark responsible for creating each new human being cannot be reduced to a mass of cells and biochemical processes. There is a deeper mystery at play, one that women struggling with fertility can tap into. In this ground-breaking book, holistic fertility doctor Dr. Julie Von shows women a new way to approach fertility so that the entire experience of becoming pregnant is energetically uplifting. She shares tools and techniques that help nourish and build women's receptive energy to connect to the spiritual and unseen aspects of creating life. Dr. Von helps readers understand that principles of cosmic timing can be applied to all processes having to do with fertility and child-rearing, from freezing eggs, to conceiving, to choosing to adopt. With close to 20 years of clinical experience, Dr. Von has witnessed firsthand the power of the spiritual within fertility to balance the hormonal system and promote a healthy pregnancy.

Ivf and Infertility, Our Journey: A True Story Of One Couple's Struggle Against The Odds' Feb 22 2023 Experiencing infertility is a challenge that can deeply overshadow a person's life. It affects one in six couples. And yet, it is still a taboo subject. When Verity and her husband, Paul, found themselves plunged into that uncertain world, and the pain of experiencing miscarriages along the way, they discovered it to be a world that no one discusses. They couldn't even find books written by anyone who had actually experienced it themselves. That's when Verity, calling upon her experience as a journalist and magazine editor, decided to keep a diary of events that unfolded upon their traumatic journey of trying for a baby in the hope that one day, as a book, it would help rid the taboo shroud that surrounds infertility as a subject and help people on their emotional journeys. If you are experiencing infertility and don't know which way to turn, then reading this book about one couple's journey first-hand may be just the support and inspiration that you need. ""I believe that this book has a rich and detailed description of emotional and physical constraints that came with this journey easily described in a natural way without any artificial make-up or masks."" --Mr Raef Faris, MSc FRCOG ""This book should also be read by all the team involved in care. It will give them an in-depth understanding of the often very rough seas that the couple have to endure. Verity, a big thank you from me for helping other patients!"" --Mr Michael Dooley, MMS FFSRH

FRCOG

Yoga and Fertility Feb 10 2022 Women battling infertility is a familiar though still harrowing story these days. Women using yoga to reduce stress and become more aware of its body and its rhythms is another. So it comes as no surprise that yoga is helping women to cope with the physical and emotional stress of infertility and its treatments.

Detours Nov 26 2020 Are you -- or is someone you love -- feeling derailed by the unfair twists and turns of infertility? Do the words -just relax- drive you crazy? Are you afraid you may never be able to have a baby? We get it. You're not alone. In *Detours* you'll meet a group of friends who have experienced practically every infertility setback and reproductive technology available. The authors share their incredible journeys and lessons learned -- in real stories. A -support group in a book, - these pages are packed with the help you need to navigate the infertility maze, cope with the stress of treatment, balance infertility and career, get (or give) the right kind of support, view challenges through a different lens, and find your resolution as you regain happiness. This unprecedented collection of inspirational journeys offers hope against all odds. The eleven authors, of both sexes, diverse backgrounds and different religions, met through the RESOLVE National Infertility Association of Greater San Diego. Their shared struggle bonded them together, and they become lifelines for each other as they faced roadblocks and setbacks on their infertility journeys. Hear the fears and jubilation as they begin and end a journey none imagined, littered with disappointments but resolving with joy. Celebrate with them as they rejoice solutions and share what they wish they had known when they were going through infertility treatment.

The Injustice of Infertility Mar 31 2021 This is the REAL story of infertility. The truth. Those thoughts and feelings you push down for fear of being judged by everyone else, including yourself - I'm going to speak them out loud. Let me share with you EVERYTHING, including the lessons I learned along the way. A seven-year marathon of epic proportions, our fertility journey was one "ARE YOU F*CKING KIDDING ME?!" moment after another. There were times I screamed at the universe - WHY ME?! What did I do to deserve this? This story will have you sitting on the edge of your seat. You will cry, you will laugh. You will nod your head in vehement agreement. Your heart will break, and your faith in humanity will be restored. You will be inspired and gain back a little hope. You are not crazy, you are not a bad person, nor are you alone. So strap yourself in, let's ride this rollercoaster together.

First There Was Me Nov 07 2021 "First comes love. Then comes marriage. Then comes the baby in the baby carriage." It was time this old nursery rhyme got an update. Struggling with infertility opened Jaimie's eyes to another world where families were made in many ways. First there was me. Then there was the journey-to you.

Under the Laurel Tree Feb 16 2020 Infertility ranks among the hardest griefs a couple can face. Yet this painful issue is all too often neglected in both Church and society. *Under the Laurel Tree* traces one God-fearing couple's journey through the emotional turmoil of childlessness. By following the story of Saints Joachim and Anna, this book helps individuals and couples navigate the loss inherent in infertility amid the pain of shame, separation, anger, bargaining, and blamelessness. In walking alongside Joachim and Anna, we encounter not only a life-giving template for grief, but also the path back to

ourselves, our partner, and our God-given vocation of eucharistic thanksgiving.

It Starts with the Egg Apr 19 2020 A practical and evidence-backed approach for improving egg quality and fertility— fully revised and updated in 2019. The latest scientific research reveals that egg quality has a powerful impact on how long it takes to get pregnant and the risk of miscarriage. Poor egg quality is in fact the single most important cause of age-related infertility, recurrent miscarriage, and failed IVF cycles. Based on a vast array of scientific research, *It Starts with the Egg* provides a comprehensive program for improving egg quality in three months, with specific advice tailored to a variety of fertility challenges— including endometriosis, unexplained infertility, diminished ovarian reserve, PCOS, and recurrent miscarriage. With concrete strategies such as minimizing exposure to common toxins, choosing the right vitamins and supplements to safeguard developing eggs, and harnessing nutritional advice shown to boost IVF success rates, this book offers practical solutions that will help you get pregnant faster and deliver a healthy baby.

The Making of a Joyful Mother Oct 14 2019 *The Making of a Joyful Mother* is designed to encourage, elevate and empower women who are struggling with infertility. This book will inspire women to walk through the journey of infertility with renewed faith, unbeatable confidence and assured expectancy. Kimberly Webb is intimately familiar with infertility, suffering through many surgeries to correct fibroid tumors, irregular periods, endometriosis, miscarriages as well as a tubal pregnancy. She has first-hand experience with the physical pain and emotional strain these circumstances cause. However, she has endured the struggles of infertility and has learned God's process of transforming infertile women into joyful mothers. This is what He did with her in the years prior to the birth of her daughter. Travel with Kimberly through this journey as she arrives into her desired destiny. For more information about Kimberly Webb, please visit our website at www.kimberlywebb.org.

Hannah's Hope Mar 19 2020 *Hannah's Hope* is intended as a guide to assist you in making wise decisions as you struggle through your grief of not yet conceiving, losing a child, or struggling through the adoption process.

Waiting for a Baby Feb 27 2021

Waiting for Bean Apr 12 2022 Starting a family is a complicated decision. Many books have been written about when to start a family and how to raise children the right way. When my husband and I decided to start our family, we had no idea about the journey we would have to go on to become parents. Though infertility and IVF is no longer an off-limits topic, no one really goes into detail about how awful it feels to be infertile. More and more celebrities are now acknowledging that they relied on reproductive science to start their families, but they don't talk about all the ins and outs of that process. This book is written in an effort to help others who are struggling to have a baby feel more normal and less alone. The emotional toll this journey takes on a person can be grueling and this book gives a voice to that journey.

Infertility Success Sep 17 2022 Just because a doctor tells you they can't help you doesn't mean you can't get pregnant. *Infertility Success* is an inspirational collaboration of 20 women's stories of overcoming infertility, many despite being told that they would never have children. Contributing authors are nurses, entrepreneurs, fitness instructors,

ultrasound sonographers, physicians and now all call themselves mom. Each will share their stories and what they wish they knew when they were going through the struggle. Through their stories they hope to inspire you to keep going and ask the questions no one is talking about so that you can achieve the family of your dreams.

Two-Week Wait Aug 04 2021 An original graphic novel based on the IVF stories of its husband-and-wife authors and the 1-in-50 couples around the world like them. Conrad and Joanne met in their final year of university and have been virtually inseparable since then. For a while, it felt like they had all the time in the world. Yet now, when they are finally ready to have kids, they find that getting pregnant isn't always so easy. Ahead of them lies a difficult, expensive, and emotional journey into the world of assisted fertility, where each 'successful' implantation is followed by a two-week wait to see if the pregnancy takes. Join Joanne and Conrad, their friends, their family, their coworkers, and a stream of expert medical practitioners as they experience the highs and the lows, the tears and the laughter in this sensitive but unflinching portrayal of the hope and heartbreak offered to so many by modern medicine.

Infertility Coloring Book Jul 03 2021 34 pages of infertility inspired designs to help relieve stress and promote relaxation during this unexpected journey. The Infertility Coloring Book contains funny and inspiring designs and quotes to help you cope and as well as laugh along the way. The coloring pages in this book are of easy-moderate difficulty.

Once Upon a Dream: Our Journey from Infertility to Adoption Mar 11 2022 This is the story of two ordinary people whose lives were extraordinarily changed by infertility and the desire to start a family through adoption.

My Fertility Journey Oct 18 2022 Trying to conceive can be incredibly difficult, especially if you've endured multiple disappointments. But this new guide to dealing with infertility offers you a true account of one woman's thirteen-year struggle as well as five steps that will help you cope-and heal. While trying to get pregnant, Deanna Townsend-Smith, EdD, could have told you all the infertility statistics, but her knowledge didn't prepare her for the emotional devastation of the journey itself. It couldn't put into words the tremendous disappointment, frustration, and confusion she felt for more than a decade. Throughout countless doctors' appointments and medical tests, Townsend-Smith discovered that she was her own best advocate. She educated herself about every aspect of fertility and worked with her husband and doctors to find a solution. The ending of her story will surprise you! Townsend-Smith's book isn't just about her story. It's about your own. Townsend-Smith understands the pains of struggling with fertility, and she hopes that her insight will bring you comfort during a difficult time. If you internalize her five ways to cope with your struggle to conceive, she's confident that you will be on the road to processing your feelings and moving forward on your own journey.

The Faces of Hope Jan 17 2020 The journey through infertility is a nightmare, plain and simple! Whether you are ever able to have a baby on your own, or continue on to adoption, the pressure is indescribable. The sadness and loneliness are sometimes so deep that your hurt no longer remains emotional, but becomes physical as well. You don't feel like you can do this any longer. Is it even worth it? Hope is God's gift for His children which He gives anew every morning. Our hope was realized in the adoption of our two

beautiful boys, and we are so thankful we never gave up! Whether you are reading this while on the fertility “scream machine” or have reached the fork in the road of whether or not to adopt, we hope sharing our story with you will encourage you by knowing you are not alone, that we’ve been through it, survived it, and have come out of the valley of darkness. Hang in, hang on, and never lose hope!

Our IVF Journey Nov 19 2022 This IVF journal is a simple blank lined journal to use to document and plan your IVF journey! No One to Call Me Mommy: A Journey of Hope and Healing Through the Pain of Infertility Oct 26 2020 Girls grow up wanting to be mothers. From a very early age, we play and pretend with our dolls. In teenage years, we practice mothering skills while we babysit. Motherhood is one of the crowning glories of being a woman. But what if it doesn't happen for you? You never hear the words, "You're pregnant" or feel life inside of you, and infertility moves in. Infertility is a life-questioning event. It invades the physical, mental, emotional, social, and spiritual being of a woman. Women who face it tend to crawl into a protective, isolative shell. *No One to Call Me Mommy* provides companionship, strength, and a voice to break through that isolation. It is not a book about infertility; it is a book about hope and healing through the journey.

The Infertility Diaries Sep 24 2020 Are you or someone you know dealing with the effects of infertility? Have you searched high and wide for someone, or something to point you in the right direction? Well we did, and when I started writing this book we couldn't find any help or guidance, whilst dealing with the effects of infertility and IVF. I started writing about our journey, in hope it will help others in a similar situation. The *Infertility Diaries* is based on true, raw facts about our complete journey, through the ups and the downs, and every hurdle we had to jump over to get to our outcome. The *Infertility Diaries* will make you laugh one minute, and cry the next, with the twists and turns our journey will take you on. By reading our story, we hope that we can help you realise that you are not alone in the world of infertility... Please note this book is not for anyone under 18 due to content.

Your Journey Towards Fertility Dec 28 2020 This book was birth in the course of helping women to spiritually deal with their challenge of infertility. It is also a call to share the story of my fertility journey with other women and help them find some encouragement and courage in the face of their own struggles. Fertility is not just a matter of biological science. It is a spiritual journey involving the fulfillment of one of our creator's design for our lives as human beings and as a race. Therefore our arch enemy the devil is deeply interested in how, why and when we procreate as human beings. There will always be some scientific explanations as to the whys certain things happen in our lives. However, we all know that our human science at its best has numerous limitations and a lot is still left to guess work while researches are ongoing. When it comes to the issue of infertility, a lot is left to the unknown. Even at its best, fertility medicine has a

huge chasm of unanswered questions. It is said that the science can answer questions from when and how eggs and sperms are produced, how fertilization takes place, and so on. But the science still cannot fully explain the miracle of conception. The two weeks after Embryo transfer (implantation period) in fertility treatment will always be left to the unknown and shrouded in mystery. The war over the continuity and sustenance of the human race is a very fierce one. And the devil is doing all he can, using every possible means to interfere with how humans obey the divine mandate of procreation. As human beings, we must begin to ask critical questions before adopting everything offered to us in the name of scientific solutions. My prayer is that we will begin to look beyond the natural and also see the supernatural /spiritual dimensions attached to the battle over human procreation. And therefore as we pursue the various options as solutions, we bring in the God factor that always makes the ultimate difference in our quest for fertility health and wellness. God bless you!

Buy One Then Get One Free Jan 09 2022 Sometimes this life is not exactly what we thought it would be. Life does not go as we planned and we go down paths we never thought we would walk. This is my story of how life did not go as I planned. Life threw me two huge curveballs that I never saw coming: infertility and autism. I have always been a planner and want things to go my way. God had different plans on a different timetable. He is in control and always on time. (Why can't I just let go already?!) I have weathered some pretty tough seasons in this life. These hard times have helped create the person that I am today. My trials have become my testimony. I wrote this book in hopes of reaching out to others as they experience the same trials. I have been there. I understand. I hope that my words speak to you. For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future. - Jeremiah 29:11 (NIV)

Fertility Walk Aug 16 2022 Truthfully, the trail we follow through infertility is not an easy one. We will stumble and fall, meander at times, and occasionally skip with joy. The key is that you will not be alone and you won't be without your walking tools; the following chapters are meant to serve as your compass, map, and mile markers. And me? Well, I'm your walking partner. As we take this walk together, my ultimate intention for you is to find HOPE . . . Hope to alleviate fears and uncertainties Hope that you move forward on your journey Hope that your dreams will come true Hope that you will find peace within yourself Let's go take a walk . . .

Against the Odds Nov 14 2019 I've been asked many times about our journey through IVF; What was it like? Was it stressful? How did I feel and what did I do? Which is why I decided to share our story. It is based on the information taken from the diaries I kept at the time and snippets I discovered here and there, how I changed my lifestyle and every twist and turn along the way. It is not the most dramatic or remarkable but it happened against the odds and hopefully illustrates how to navigate certain aspects on your own voyage into the unknown. However, I do hope that my decision to share will help you to see that you are not alone and whilst the journey may seem long and bleak, miracles do happen...
