Kings River Project

This comprehensive resource offers planning and programming tips and information on the materials needed to begin, improve, or expand upon services to Latino children. Most of the suggestions are for a preschool and elementary age audience, but older children and intergenerational programs are briefly considered. 2WD & 4WD. Identifies and describes specific government assistance opportunities such as loans, grants, counseling, and procurement contracts available under many agencies and programs. February issue includes Appendix entitled Directory of United States Government periodicals and subscription publications; September issue includes List of depository libraries; June and December issues include semiannual index This deft and thorough update ensures that The Wildlife Techniques Manual will remain an indispensable resource, one that professionals and students in wildlife biology, conservation, and management simply cannot do without.
