Speaker, author, and internationally-renowned Bible teacher Kay Arthur gathers together her inductive study tools in one volume that can be used with any Bible translation. Now those who are ready for a personal and passionate exploration of Scripture will find at their fingertips: Proven methods to read, mark, and study God's Word Introductions to set the stage for each book of the Bible Maps and charts to add historic and geographic dimension Word studies for NASB and NIV translations Definitions and explanations to simplify interpretation "Things to Think About" for personal application This resource will inspire and guide anyone interested in creating a personal study of God's Word. The Scofield(r) Study Bible III offers an unparalleled package of reference tools designed to enrich the study of God's unchanging Word. It has been augmented (not revised) with a wealth of factual information that is clearly displayed in charts and sidebar articles. These add depth and richness to study time, making the ideas underlying the Scofield's annotations clearer to modern readers. This edition features the English Standard Version, an "essentially literal" translation of the Bible that emphasizes word-for-word accuracy and precision along with literary beauty and readability. Enhanced

book introductions, accurate in-text maps, authoritative full-color maps, and page-bottom notes broaden the context of the reader's understanding. Everything about this volume has been designed to encourage serious Bible study. First-time students and seasoned believers alike will find it to be a trustworthy guide to the panorama of God's plan of salvation. * An exclusive, subject-based topical chain reference system. * An exclusive, subject-based topical chain reference system. * Over 100 boxed factual articles and lists. * Expanded introductions with detailed outlines of each book. * An expanded Subject index. * Study not biblical references are in "chapter-and-verse" format. * Side-column references are grouped by chapter and verse. * Over 550 in-text definitions of proper nouns for people and place names. * Nearly 70 in-text black and white maps and charts. * In-text articles of nearly 250 notes crucial to understanding the Scofield(r). * Indexes to Proper Nouns, Chain References, and Subjects. * 16 pages of accurate, full color New Oxford Bible Maps (with index of places and natural features). * Bottom-of-the-page study notes. * Sectional headings. * Select ESV Concordance First published in 2004, The Jewish Study Bible is a landmark, one-volume resource tailored especially for the needs of

students of the Hebrew Bible. It has won acclaim from readers in all religious traditions. The Jewish Study Bible, which comes in a protective slipcase, combines the entire Hebrew Bible--in the celebrated Jewish Publication Society TANAKH Translation--with explanatory notes, introductory materials, and essays by leading biblical scholars on virtually every aspect of the text, the world in which it was written, its interpretation, and its role in Jewish life. The quality of scholarship, easy-to-navigate format, and vibrant supplementary features bring the ancient text to life. This second edition includes revised annotations for nearly the entire Bible, as well as forty new and updated essays on many of the issues in Jewish interpretation, Jewish worship in the biblical and post-biblical periods, and the influence of the Hebrew Bible in the ancient world. The Jewish Study Bible, Second Edition, is an essential resource for anyone interested in the Hebrew Bible. A quality pew and ministry Bible at a very economical price. - Complete text with subject headings and translators' footnotes. A fresh and conservative approach to studying the Scriptures through the eyes of the Reformed Theological heritage, this Silver Medallion award winner is the first NIV study Bible incorporating a summary of Reformed theology. Book introductions include outlines, author information, date, interpretation helps, theme, and archaeological, historical, and literary information 100,000 center-column cross-references 80 in-text charts and maps

Concordance Subject and study note indexes 23 pages of color maps and timelines Red letter 2,208 pp. Now fully redesigned, My First Study Bible allows kids to experience the fun and excitement of exploring and truly understanding the Bible! Designed especially for children ages 6 - 10, each Bible story includes an introduction, background information, sidebars with added details, and a summary at the end. The book contains additional interesting facts about characters and Bible books. Through the exciting adventures of biblical characters like Joshua, Rahab, David, Esther, Matthew, and Mary, children learn why Jesus came to earth and how God is involved in everyday lives—including theirs! Combining the best and most recent evangelical Christian scholarship with the highly regarded ESV text, the ESV Study Bible is the most comprehensive study Bible ever published. This landmark resource, now available in the NABRE translation, contains all the authoritative study notes, expanded essays, and informational sidebars for which it is known and trusted. The heart of this volume remains its extensive Reading Guide that leads the reader through the Scriptures, book by book. References and background information are clearly laid out in the margins of the text, guiding the reader to a fuller understanding of the Bible. Other outstanding features include: a 15-page glossary of special terms, complete Sunday and weekday lectionary readings for the liturgical years of the Church. 32 beautiful

pages of full-color Oxford Bible Maps come with a place-name index for easy reference. Printed on smooth, durable paper and bound with the highest quality materials, the Catholic Study Bible is an incredible value. It is available in three attractive and affordable bindings: black bonded leather, hardcover, and paperback. The New American Bible Revised Edition: The New American Bible Revised Edition (NABRE) brings to culmination the work of nearly 100 scholars, including translators, editors, and a subcommittee of Catholic bishops who provided extensive review of the biblical text over a period of many years. The NABRE is the first major amendment to the New American Bible translation since 1991. It features: *The first update of the Old Testament since 1970, taking into account recent archaeological and textual discoveries. *Complete revision of the Psalter. Based on the Revised Standard Version Second Catholic Edition, this 14th volume in the popular Bible study series leads readers through a penetrating study of the Book of Genesis using the biblical text itself and the Church's own guidelines for understanding the Bible. Ample notes accompany each page, providing fresh insights and commentary by renowned Bible scholars Scott Hahn and Curtis Mitch, as well as time-tested interpretations from the Fathers of the Church. They provide rich historical, cultural, geographical or theological information pertinent to the Old Testament book—information that bridges the distance between the biblical world and our

own. The Ignatius Study Bible also includes Topical Essays, Word Studies and Charts. The Topical Essays explore the major themes of Genesis, often relating them to the teachings of the Church. The Word Studies explain the background to important Bible terms, while the Charts summarize crucial biblical information at a glance. Each page includes an easy-to-use Cross-Reference Section. Study Questions are provided for each chapter that can deepen your personal study of God's Word. There is also an introductory essay covering questions of authorship, date, destination, structure and themes. Also included is an outline of Genesis as well as several maps. Large format, featuring large text size and additional margin space for personal annotations! The larger format enhances both individual and group study. Scott Hahn and Curtis Mitch present insights and inspiring commentary on the Letters to the Corinthians in this 7th volume of the new Ignatius Study Bible series. Containing Bible study helps and tools, in addition to the Hahn-Mitch notes, they include insights from the Church Fathers, topical essays, word studies and charts, study questions, maps, and a cross-reference section. This landmark resource, the first fully-based on the authoritative NABRE translation, contains the trustworthy study notes, expanded essays, and informational sidebars which have guided and informed students and general readers for 25 years. In this new edition, which comes in a protective slipcase, one-third of the Reading

Guide materials are new, and all of the other Guides have been reviewed and revised by their original authors. The extensive Reading Guide, the focal point of this volume, leads the reader through the Scriptures, book by book. References and background information are clearly laid out to guide the reader to a fuller understanding of the Bible. New to this edition is a more extensive treatment of the biblical background, including history and archeology. Other outstanding features include: a 15-page glossary of special terms and complete Sunday and weekday lectionary readings for the liturgical years of the Church. Thirty-two beautiful pages of full-color Oxford Bible Maps come with a place-name index for easy reference. Perfect for both higher education and clergy, Bible study and general readers, The Catholic Study Bible is an essential resource for both experienced students and first-time readers. The New American Bible Revised Edition: The New American Bible Revised Edition (NABRE) brings to culmination the work of nearly 100 scholars, including translators, editors, and a subcommittee of Catholic bishops who provided extensive review of the biblical text over a period of many years. The NABRE is the first major amendment to the New American Bible translation since 1991. It features: *The first update of the Old Testament since 1970, taking into account recent archaeological and textual discoveries. *Complete revision of the Psalter. Combining supple premium bonded leather with rich

colors, unique textures, and interesting stitching patterns, these special new editions of the Zondervan NIV Study Bible exemplify elegance. Available in three distinctive color combinations and patterns per title, these special Bibles will appeal to the discriminating buyer looking for a sophisticated choice in a best-selling study Bible. Offering 52 weeks of lessons and materials on a bonus CD-ROM, this versatile program is built to be fun and effective at teaching children God's Word. Each lesson includes a story, discussion, a craft activity, Bible verse, and a prayer. The ESV Global Study Bible is a one-volume study resource for globally minded Christians everywhere. It has been designed to be highly accessible and priced for distribution on a global scale. Engage in devotional, Christ-centered Bible reading and study with the distinctive, comprehensive notes and practical application of The Lutheran Study Bible. This new Bible, which uses the English Standard Version, is the first in English to be developed from the ground up with notes that are distinctively Lutheran, prepared by Lutheran theologians and pastors from more than twenty Lutheran church bodies. Current Lutheran scholarship, insights from the Church Fathers, and rich devotional commentary provide meaningful perspective for both young and mature Christians. More than fifty scholars, under R. C. Sproul, collaborated to produce this study Bible to help readers understand the great doctrines of the Christian faith. Published

by Ligonier Ministries, trade distribution by P&R Publishing. Combining supple premium bonded leather with rich colors, unique textures, and interesting stitching patterns, these special new editions of the Zondervan NIV Study Bible exemplify elegance. Available in three distinctive color combinations and patterns per title, these special Bibles will appeal to the discriminating buyer looking for a sophisticated choice in a best-selling study Bible. The Scofield Study Bible occupies a unique place in the history of modern Christianity--the first publication to combine readily accessible study aids with the text of Scripture, putting together in one place everything readers need to explore and understand the Bible. Large numbers of Christians have long recognized these virtues and have continually chosen Scofield Study Bible in their various editions. Indeed, since it first appeared in 1909, the Scofield has sold millions of copies. To celebrate its one hundredth anniversary, Oxford is proud to announce a special Centennial Edition, in a limited-edition binding, on sale only for the year 2009. Available in five editions--King James Version, New King James Version, New International Version, New American Standard Bible, and Holman Christian Standard Bible--each volume will include a presentation page for gift giving, a special essay on the history and influence of the Scofield Bible written by Paul Karleen, a full-color map section, and an attractive Pacific Duvelle binding. Most

important, these volumes boast the features that have made the Scofield so popular for generations of Bible students, including cross references that link topics and words together, introductions to the various books of the Bible, a superb system of chain references, the concordance, study notes, charts and diagrams, a subject and a proper name index, and much more. For one hundred years, the Scofield Study Bible has been an indispensable aid, both as an introduction for the novice and as a companion for a lifetime of study, offering assistance on every page, whether for simple research or deep reflection. This new Centennial Edition marks this century-long tradition. It will be a meaningful gift for everyone who wants to learn more about the word of God. The Bible that allows you to study Scripture in the order of events as they happened The Chronological Study Bible presents the text of the New King James Version in chronological order - the order in which the events actually happened - with notes, articles, and full-color graphics that connect the reader to the history and culture of Bible times. It is the only NKJV study Bible arranged in chronological order. Features include: The entire NKJV text with translators' notes, arranged in chronological order, provides absorbing and effective Bible study Full-color illustrations of places, artifacts, and cultural phenomena give the reader a dramatic, "you are there" experience Fascinating articles connect the Bible text to world history and

culture Daily Life Notes explain how people lived in Bible times Time Panels and Charts show the flow of Bible history In-text and full-page color maps of the biblical world assist study Part of the Signature Series line of Thomas Nelson Bibles Chronological Study Bibles sold to date: More than 400,000 The New King James Version® - More than 60 million copies sold When you want to really understand God's Word, turn to the first name in study Bibles--Scofield. This classic reference from C. I. Scofield offers a wealth of helpful features for the student of scripture. Scofield's introductory notes, cross references, and explanatory footnotes will help you understand difficult passages, while a 96-page concordance and 42-page topical helps section aid in tracing subjects and ideas throughout the scriptures. Scofield's classic work Rightly Dividing the Word of Truth is also included; add to that a daily Bible-reading calendar and a 72-page reference to subjects, footnotes, proper names, and definitions, and The Classic King James Study Bible becomes an entire library of biblical knowledge! Now available in the timeless King James Version, the Archaeological Study Bible features a full-color interior, over 500 full-color photographs, in-text maps, detailed charts, study notes, and cultural facts that bring the ancient biblical world to life. This edition combines the renowned Scofield® notes and reference system with the time honored King James Version translation. But that's not all: The fruit of Dr. C. I. Scofield's

decades of reflection upon the Word of God have been augmented (not revised) to make the ideas underlying the Scofield Study Bible's annotations clearer to modern readers. An abundance of factual information is presented in topical articles, charts, and lists that add depth and richness to study time. Enhanced book introductions, accurate in-text maps, authoritative full color maps, and page bottom notes broaden the context of the reader's understanding. Everything about this edition has been designed to encourage serious Bible study. First-time students and seasoned believers alike will find this volume to be a trustworthy guide to the panorama of God's plan of salvation. "13 lessons to strengthen our relationships with other believers"--Cover. Large format, featuring large text size and additional margin space for personal annotations! The larger format enhances both individual and group study. This volume in the popular series of the Ignatius Catholic Study Bible covers the three letters of St. John and the Book of Revelation (or Apocalypse). The three Johannine letters are explored first, with ample notes and reflections representing the best of contemporary and traditional scholarship and commentary. The largest portion of this volume is devoted to the Revelation to John, also called the Book of Revelation and the Apocalypse (from the Greek, meaning "unveiling"). Written in highly symbolic style, the Revelation to John is perhaps the most difficult book of the Bible to

understand. Scholars have long debated whether the book is concerned mainly with a symbolic depiction of the struggle of good against evil or whether it applies to specific events in history-its own time, the general course of Church history, or the end of the world. The annotations and commentary on this volume draw on the best elements from each approach, while emphasizing the biblical author's immediate intention: to recount the heavenly vision he received as it applied to his own time. Modern scholarship, as well as insights from the Church Fathers and other classic commentators, help the reader make sense of what many people regard as a confusing book. The Ignatius Catholic Study Bible includes Topical Essays, Word Studies and Charts. Each page features an easy-to-use Cross-Reference Section. Study Questions are provided for each biblical book, which can be used for personal or group study of the Word of God. Each biblical book includes an introductory essay covering questions of authorship, date, destination, structure and themes. Also included are outlines of each book. The text of the Ignatius Catholic Study Bible is the Revised Standard Version, Second Catholic Edition. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will

Self. These eighteen pieces have been commissioned to provide a succinct yet comprehensive guide to the best of recent evangelical thinking about how the New Testament is to be interpreted, so that it may speak most clearly to today's world. The need for such a handbook can be felt more keenly as on the one side a secularized world dismisses the biblical faith as outmoded, unworkable, and unsatisfying; and, on the other, numerous Christian communities, committed to taking that faith with ultimate seriousness, are driven by controversies about how to read and understand the Bible. Following the editor's introduction, in which I. Howard Marshall examines a familiar New Testament passage in order to exemplify the problems and rewards that await the careful interpreter, the essays are arranged under four headings, beginning with overviews of the history of New Testament study and the role of the interpreter's presuppositions in this enterprise; then going on to discuss the various critical tools, the methods of exegesis, and the application of the New Testament to the faith and life of the contemporary reader. An annotated bibliography concludes the presentation. Because the issues involved here have too often been ignored in many quarters, more than one approach to or opinion about a given matter may surface in these essays; yet, undergirding this diversity is the author's shared conviction, as conservative evangelicals with a high regard for the authority of Holy Scripture, that we are

called upon to study the Bible with the full use of our minds. As the editor writes, The passages which we interpret must be the means through which God speaks to men and women today. Our belief in the inspiration of the Bible is thus a testimony that New Testament exegesis is not just a problem; it is a real possibility. God can and does speak to men through even the most ignorant of expositors of his Word. At the same time he calls us on to devote ourselves to his Word and use every resource to make its message the more clear. "The Resurrection Life Study Bible" is a unique Bible structured in two different parallel formats--first, as a traditional King James New Testament with detailed study notes, and secondly, as an easy-to-read paraphrase amplifying the text to bring out its cultural and historical background. For a first start or a fresh start, everything you need is right here. Jane Dawson has written the definitive life of John Knox, a leader of the Protestant Reformation in sixteenth-century Scotland. Based in large part on previously unavailable sources, including the recently discovered papers of Knox's close friend and colleague Christopher Goodman, Dawson's biography challenges the traditionally held stereotype of this founder of the Presbyterian denomination as a strident and misogynist religious reformer whose influence rarely extended beyond Scotland. She maintains instead that John Knox relied heavily on the support of his "godly sisters" and conferred as well as argued with Mary, Queen of Scots. He

was a proud member of the European community of Reformed Churches and deeply involved in the religious Reformations within England, Ireland, France, Switzerland, and the Holy Roman Empire. Casting a surprising new light on the public and private personas of a highly complex, difficult, and hugely compelling individual, Dawson's fascinating study offers a vivid, fully rounded portrait of this renowned Scottish preacher and prophet who had a seismic impact on religion and society. This volume in the popular Bible study series leads readers through a penetrating study of the Books of 1 & 2 Samuel using the biblical text itself and the Church's own guidelines for understanding the Bible. Ample notes accompany each page, providing fresh insights by renowned Bible teachers Scott Hahn and Curtis Mitch, as well as time-tested interpretations from the Fathers of the Church. They provide rich historical, cultural, geographical or theological information pertinent to the Old Testament book - information that bridges the distance between the biblical world and our own. It also includes Topical Essays, Word Studies and Charts. The Topical Essays explore the major themes of 1 & 2 Samuel, often relating them to the teachings of the Church. The Word Studies explain the background to important Bible terms, while the Charts summarize crucial biblical information "at a glance". Relationships are messy. We're all different and imperfect, and we can struggle to get along--especially with those who disagree

with us. Often we find ourselves divided--even as Christians. How can we work out our differences and disagreements with humility and grace, always showing the love of Christ, while still remaining true to what we believe? The Apostle Paul wrote to the Christians living in Corinth about this very thing. The cultural backdrop of Corinth was even more overtly sinful than our culture today, yet Paul boldly encouraged the Corinthian Christians not to ridicule one another or outsiders but to work together to show the love of Christ. In this six-week study we will explore Paul's first letter to the Corinthians to learn how we as Christians are to deal with differences and divisions--whether in the workplace, neighborhood, school, home, social media community, or church. We'll discover that the answer is living and sharing the radical love of Jesus Christ, and we'll unpack what this means and how we can live it out day by day. The Participant Book includes five days of lessons for each week, combining study of Scripture with personal reflection, application, and prayer. Other components for the Bible study, available separately, include a Leader Guide, DVD with six 25-30 minute sessions, and boxed Leader Kit (an all-inclusive box containing one copy of each of the Bible study's components). This volume in the popular Ignatius Catholic Study Bible series leads readers through a penetrating study of the First and Second Books of Kings using the biblical text itself and the Church's own guidelines for understanding

the Bible. Ample notes accompany each page, providing fresh insights by renowned Bible teachers Scott Hahn and Curtis Mitch as well as time-tested interpretations from the Fathers of the Church. These helpful study notes provide rich historical, cultural, geographical, and theological information pertinent to the Old Testament book—information that bridges the distance between the biblical world and our own. The Ignatius Catholic Study Bible also includes Topical Essays, Word Studies, and Charts. The Topical Essays explore the major themes of 1 & 2 Kings, often relating them to the teachings of the Church. The Word Studies explain the background of important biblical terms, while the Charts summarize crucial biblical information "at a glance". We invite you to study 1 Kings with us using the Geneva Study Bible Notes! The 1560 Geneva Bible is known as the first translation to have Bible chapters divided into numbered verses. However, it is even better known for its extensive collection of marginal notes. Prominent Reformation leaders such as John Calvin, John Knox, Miles Coverdale, William Whittingham, Theodore Beza, and Anthony Gilby wrote the majority of these notes in order to explain and interpret the scriptures. You can profit from those notes as you study the Bible today! As Christians, we live busy and harried lives, most often because we are eager and earnest to join with God in His work in the world. In the confusion and sheer volume of opportunities and ideas vying for our attention,

we must constantly return to the words of Jesus to find our focus and purpose, for the truths He spoke, when believed and applied, lead to our flourishing. Using parables and stories, Jesus spoke most often of the kingdom of God as what matters--the ways of the kingdom, the values of the kingdom, and the cultivation of the kingdom here on earth in light of its fulfillment in heaven. In other words, the kingdom of God defines who we are and what we do as Christians. Many Christians don't have a working knowledge of the kingdom and their true citizenship in a way that affects their daily lives and decisions. Seek First the Kingdom cuts through the clutter of life with the words of Jesus, urging readers to stop, think, take notice, and reorient themselves solidly around the kingdom. Features: 8 weeks of personal study to complete between 8 group sessions Leader guide to help guide group meetings Benefits: Explore the kingdom of God in-depth, learning what the kingdom of God is, and how we enter it. Embrace the life Jesus offers us within the kingdom and the way we find joy as His subjects. Understand how the ways, values, and cultivation of the kingdom of God define who we are. Learn to confront our allegiances to idols and false kings, re-ordering our worship. Identify our places in the kingdom of God and how we can join in the work that God is doing here and around the world. 2008 ECPA Christian Book Award Winner! Every problem in life is based on an incorrect view of God. The Discover God Study Bible is the first study Bible

specifically designed to address this problem. Every note and feature draws the reader to a deeper understanding of who God is and how He can transform their life. It features an easy-to-use TopicGuide to every major topic and teaching of the Bible. Join biblical culturalist Krisi McLelland as she takes you back to Jesus' first-century world, explaining the historical and cultural climate of His day. This 7-session Bible study is a look at several of Jesus' interactions with women. Understand God's Word in its Original Cultural Context The NIV First-Century Study Bible introduces you to an ancient world vastly different from your own, but rich in valuable life lessons. This Bible includes great tools to help answer your questions about life in Bible times and see how the ancient past holds applicable truths for life today. Including fascinating articles from Pastor Kent Dobson, unpacking the culture of Bible times, illuminating Scripture passages, and asking thoughtful questions along the way, this study Bible is a wonderful way to explore God's Word in its original Christian context and better understand the historical meaning of Scripture. Kent Dobson is the teaching pastor at Mars Hill Bible Church in Grandville, Michigan, where he initially served as the worship director. He has been featured on Biblical programs for the History Channel and the Discovery Channel. Kent fell in love with Biblical studies in Israel and had the privilege of learning from both Jewish and Christian scholars. After his time in Israel, he returned to

the States to teach high school religion and Bible before responding to God's call to the pastorate. Today, he keeps his connection to the Holy Land strong, leading tours to Israel that combine study and prayer, inspired by the ancient discipline of spiritual pilgrimage. Features: Complete text of the accurate, readable, and clear New International Version Day in the Life articles, describing daily life in Bible times and Addressing the Text articles to help you dive deeper Word Studies expound upon original Hebrew words Study notes with writings from early church writers, rabbis, and extra-biblical sources Supplemental information on topics such as: Abomination that Causes Desolation, Antiochus IV Epiphanies, Conversion, Covenant, Dead Sea Scrolls, Essenes, Desert Law, Diviners in the Ancient World, Intertestamental Times, The Ethics of War, The Shema, Life in the Diaspora, The Greek Lions, The Biblical View on Slavery, Did Moses write the Torah, The Spirit of YHWH, Zealots, Wine Making Full-color photographs, maps, and diagrams Book introductions and outlines This Bible was originally published for my own personal use. I decided to offer it to the Saints (my brothers and sisters in Christ Jesus) at the lowest price possible. More info is available at wisdombooks.faith. This is a paperback, perfect bound book set in 9pt Roman font. Contains both old and new testament. No apocrypha. No notes, just the word of God. When the Geneva translation of the New Testament appeared in 1557 and the

entire Bible in 1560, it was innovative in both text and format, and quickly became the household Bible of English speaking people. It was the first English Bible to have modern verse divisions as well as modern chapter divisions. It was the first Bible to use italics to indicate words not in the original language and the first Bible to change the values of ancient coins into English pound sterling equivalents. It was also the first to use plain Roman type, which was more readable than the old Gothic type, and it was in a handy quarto size for easy use. With prologues before each book, extensive marginal notes, and a brief concordance, the Geneva Bible was in fact the first English "study Bible." Between its first edition of 1560 and its last edition in 1644, 160 editions, totaling around a half million Bibles, were produced. And for the first time common people could not only understand the words in the Bible, they could actually own one. Its widespread use first solidified the English language among the common people, not the 1611 King James Bible as many assume. Actually, the King James Bible required decades to surpass the popularity of the Geneva and supplant it from the hearts of the English speaking world. In fact, the Geneva Bible was the principal English Bible initially brought to American soil, making it the Bible that shaped early American life and impacted Colonial culture more than any other. Whittingham included a preface entitled, "To the Reader Mercy and peace through Christ our Savior." It

reads: In the Church of Christ there are three kinds of men: some are malicious despisers of the Word and graces of God, who turn all things into poison, and a further hardening of their hearts: others do not openly resist and contemn [condemn] the Gospel, because they are struck as it were in a trance with the majesty thereof, yet either they quarrel and cavil, or else deride and mock at whatsoever is done for the advancement of the same. The third sort are simple lambs which partly are already in the fold of Christ, and so willingly hear their Shepherds voice, and partly wandering astray by ignorance tarry the time till the Shepherd find them and bring them unto His flock. To this kind of people in this translation I chiefly had respect, as moved unto zeal, counseled by the godly, and drawn by occasion, both of the place where God hath appointed us to dwell, and also to the store of heavenly learning and judgment which so abounded in this city of Geneva, that justly it may be called the patron and mirror of true religion and godliness.
