An invitation to an unfamiliar city can only mean something fun is about to go down. Sid follows Claire to the lawless city, where he's launched into his newest quest: to hunt down the founding vampire, the Queen of Blood, sleeping somewhere in this land. On the journey, he crosses paths with a mysterious girl- Mary, known as the oldest vampire hunter. Things are about to get messy between the most powerful players in

the lawless city and the Shadow Garden, as they get one step closer to uncovering crucial information about the Possessed. ONE BIG FAT LIE AND A FEW TWISTED TRUTHS Even in his past life, Cid's dream wasn't to become a protagonist or a final boss. He'd rather lie low as a minor character until it's prime time to reveal he's a mastermind...or at least, do the next best thing-pretend to be one! And now that he's been reborn into another world, he's ready to set the perfect conditions to live out his dreams to the fullest. Armed with his overactive imagination, Cid jokingly recruits members to his

organization and makes up a whole backstory about an evil cult that they need to take down. Well, as luck would have it, these imaginary adversaries turn out to be the real deal-and everyone knows the truth but him! Amane lives alone in an apartment, and the most beautiful girl in school, Mahiru, lives just next door. They've almost never spoken-until the day he sees her in distress on a rainy day and lends her his umbrella. To return the favor, she offers him help around the house, and a relationship slowly begins to blossom as the distance between them closes... Hachiman Hikigaya is a cynic. "Youth"

is a crock, he believes--a sucker's game, an illusion woven from failure and hypocrisy. But when he turns in an essay for a school assignment espousing this view, he's sentenced to work in the Service Club, an organization dedicated to helping students with problems in their lives! How will Hachiman the Cynic cope with a job that requires--gasp!--optimism? The original light novel that started the phenomenon! In this fantasy world, everything's a game--and these gamer siblings play to win! Meet Sora and Shiro, a brother and sister who are loser shut-ins by normal standards. But

these siblings don't play by the rules of the "crappy game" that is average society. In the world of gaming, this genius pair reigns supreme, their invincible avatar so famous that it's the stuff of urban legend. So when a young boy calling himself God summons the siblings to a fantastic alternate world where war is forbidden and all conflicts--even those involving national borders--are decided by the outcome of games, Sora and Shiro have pretty much hit the jackpot. But they soon learn that in this world, humanity, cornered and outnumbered by other species, survives within the confines of one city.

Will Sora and Shiro, two failures at life, turn out to be the saviors of mankind? Let the games begin...! The life of a traveling merchant is a lonely one, a fact with which Kraft Lawrence is well acquainted. Wandering from town to town with just his horse, cart, and whatever wares have come his way, the peddler has pretty well settled into his routine--that is, until the night Lawrence finds a wolf goddess asleep in his cart. Taking the form of a fetching girl with wolf ears and a tail, Holo has wearied of tending to harvests in the countryside and strikes up a bargain with the merchant to lend him the cunning of

"Holo the Wisewolf" to increase his profits in exchange for taking her along on his travels. What kind of businessman could turn down such an offer? Lawrence soon learns, though, that having an ancient goddess as a traveling companion can be a bit of a mixed blessing. Will this wolf girl turn out to be too wild to tame? Lonely thirty-seven-year-old Satoru Mikami is stuck in a dead-end job, unhappy with his mundane life, but after dying at the hands of a robber, he awakens to a fresh start in a fantasy realm...as a slime monster! As he acclimates to his goopy new existence, his exploits with the

other monsters set off a chain of events that will change his new world forever! Subaru Natsuki was just trying to get to the convenience store but wound up summoned to another world. He encounters the usual things--life-threatening situations, silver haired beauties, cat fairies--you know, normal stuff. All that would be bad enough, but he's also gained the most inconvenient magical ability of all--time travel, but he's got to die to use it. How do you repay someone who saved your life when all you can do is die? Love can bloom in the strangest places...and people! A cursed king and the world's

strongest witch are about to cross paths, forever changing their future and the fate of the world! "" Reincarnated as a sentient weapon with memories of his past life, but not his name, a magical sword saves a young beastgirl from a life of slavery. Fran, the cat-eared girl, becomes his wielder, and wants only to grow stronger, while the sword wants to know why he is here. Together, the strange duo's journey has only just begun! "" Do you want fries with your hellfire? Being soundly thrashed by the hero Emilia, the Devil King and his general beat a hasty retreat to a parallel

universe...only to land smack in the middle of bustling, modern-day Tokyo! Lacking the magic necessary to return home, the two are forced to assume human identities and live average human lives until they can find a better solution. And to make ends meet, Satan finds gainful employment at a nearby fast food joint! With his devilish mind set on working his way up the management food chain, what will become of his thirst for conquest?! Could workaholic office lady Sei be a legendary Saint? Not according to the crown prince of another world who summoned her and quickly declared a different girl was

the real Saint! That suits Sei just fine-- she would much rather spend her days quietly helping people with her unbelievably powerful magic. But how long can Sei live her ideal life of leisure before her true nature is revealed? Bunny girls do not live in libraries. This is simply common sense. And yet, that's exactly where Sakuta runs into one. Wanting to find out more about the mystery surrounding this bunny girl and maybe get a little closer to her in the process, Sakuta launches an investigation to figure out what's causing her to be invisible to everyone around them. "" Takasu

Ryuuji might look like a thug, but he's actually a nice guy. Making friends when you've got an unintentionally scary face is tough--and don't even get him started on girlfriends. But with his secret crush in his class, the start of his second year of high school is off to a good start...until he crosses paths with Aisaka Taiga. Beautiful, frightening, and not quite five feet tall, the girl known as the palmtop tiger is the one person in school even scarier than Ryuuji himself--and he's just made the mistake of making her very, very angry. "" New Beginnings in Familiar Lands

After a horrific accident put her on life support, the last vestige of freedom Keina Kagami had was in the VRMMORPG World of Leadale. When she wakes up in the body of her game avatar, though, Keina-now Cayna-finds that the worries of her old life appear to be a thing of the past, but somehow this new land doesn't seem to be quite the Leadale she remembers... The bestselling fantasy light novel comes to print for the first time--now with an anime series! Seventeen-year-old Hajime Nagumo is your average, everyday otaku. However, his simple life of pulling all-nighters and sleeping in

school is suddenly turned upside down when he, along with the rest of his class, is summoned to a fantasy world! They're treated like heroes and tasked with the duty of saving the human race from utter extinction. But what should have been any otaku's paradise quickly turns into Hajime's nightmare. While the rest of his class are blessed with godlike powers, Hajime's job, Synergist, only has a single transmutation skill. Ridiculed and bullied by his classmates for being weak, he soon finds himself in despair. Will he be able to survive in this dangerous world of monsters and demons with

only a glorified blacksmith's level of strength? High above the blood-and mud-soaked trenches, a young girl pits herself against army mages in high stakes aerial duels with bullets, spells, and bayonets. Her name is Tanya Degurechaff and she is the Devil of the Rhine, one of the greatest soldiers the Empire has ever seen! But inside her mind lives a ruthless, calculating ex-salaryman who enjoyed a peaceful life in Japan until he woke up in a war-torn world. Reborn as a destitute orphaned girl with nothing to her name but memories of a previous life, Tanya will do whatever it takes to

survive, even if she can find it only behind the barrel of a gun! Saeki Sayaka has always been an old soul--serious and reserved, preferring to focus on her studies rather than make friends. Until, that is, a romantic confession from another girl in middle school turns her carefully ordered world upside down. Though none of her classes have prepared her for this, Saeki must now come to terms with her sexuality in this gentle, coming-of-age novel about grappling with first love, growing up, and relating to other people. My name is... One year before a certain useless

goddess and NEET extraordinaire hit the scene, Megumin, the "Greatest Genius of the Crimson Magic Clan," is hard at work. Ever since a life-changing encounter in her youth, the young wizard has dedicated her every waking moment to the pursuit of the ultimate offensive magic, Explosion! (Well...every moment not spent hustling food from her self-proclaimed rival.) And while the big sister's away, the little one will play. On a routine trip into the woods, Megumin's little sister, Komekko, finds a strange black kitten. Little does she know that this cat plays a key role in unsealing a Dark

God's tomb... After dying in a traffic accident, I find myself standing near an unfamiliar lake. My body won't move, I can't hear my voice, and when I try to shout in confusion, words that I never expected come out! "Get one free with a winner." I-it seems I've turned into a vending machine...! I can only do what actual vending machines can. It's impossible to move by myself, and there's no way for me to have any meaningful conversation-how am I going to survive some fantasy world's dungeon like this?! To fulfill his master's last request, half-human wand craftsman Ix must repair a staff

belonging to a girl named Yuui. There's just one problem—in order to mend the staff's core, Ix must obtain the heart of a dragon, the last of which supposedly died out 1,000 years ago. Running up against a strict time limit before his contract expires, Ix must somehow find a long lost dragon and repair the wand all by summer's end. For twelve years, the virtual world of Yggdrasil has served as the playground and battlefield for the skeletal lord Momonga and his guild of fellow monsters, Ainz Ooal Gown. But the guild's glory days are over, and the game is shutting down permanently. When Momonga

logs in one last time just to be there when the servers go dark, something happens--and suddenly, fantasy is reality. A rogues' gallery of fanatically devoted NPCs is ready to obey his every order, but the world Momonga now inhabits is not the one he remembers. The game may be over, but the epic tale of Ainz Ooal Gown is only beginning... No matter how much the times change, bullied kids aren't going anywhere. And fat junior high school student Haruyuki is one of them. But one day, Haruyuki encounters Kuroyukihime, the most beautiful and elegant girl at school, who gives

him a mysterious program: "Brain Burst"...and the secret of the "Accelerated World." He may be at the bottom of the food chain at school, but Haruyuki and his destiny begin to "accelerate" with incredible speed in the virtual realm as he aims for the top!! The manga adaptation of Reki Kawahara's wildly popular Accel World light novel series follows in the footsteps of its predecessor, bringing you a futuristic coming-of-age tale about the potential that lies within all of us! Lonely thirty-seven-year-old Satoru Mikami is stuck in a dead-end job, unhappy with his mundane life, but

after dying at the hands of a robber, he awakens to a fresh start in a fantasy realm...as a slime monster! As he acclimates to his goopy new existence, he exploits with the other monsters set off a chain of events that will change his new world forever! The life of a traveling merchant is a lonely one, a fact with which Kraft Lawrence is well acquainted. Wandering from town to town with just his horse, cart, and whatever wares have come his way, the peddler has pretty well settled into his routine-that is, until the night Lawrence finds a wolf goddess asleep in his cart. Taking the form of a fetching girl with

wolf ears and a tail, Holo has wearied of tending to harvests in the countryside and strikes up a bargain with the merchant to lend him the cunning of "Holo the Wisewolf" to increase his profits in exchange for taking her along on his travels. What kind of businessman could turn down such an offer? Lawrence soon learns, though, that having an ancient goddess as a traveling companion can be a bit of a mixed blessing. Will this wolf girl turn out to be too wild to tame? New York, 1931. The manufacture and sale of alcoholic beverages is prohibited by law, but behind this prohibition,

organized crime flourishes-so, too, do bank robbers, bootleggers, assassins, and homunculi. Some want money, some are chasing the secret to immortality, and others just want to have a really good time. You know what they say, though: You can't always get what you want. Kazuki Hoshino treasures nothing more than his ordinary life, and March 2 should have been an ordinary day. The arrival of a transfer student, the mysterious Aya Otonashi, shouldn't have shattered the world he knows. He's never seen this girl before in his life, but she says she's met him thousands of times--

and declares war on him for a crime he can't even remember... As the truth begins to unravel, nothing is as it seems, and at the heart of it all is a wish powerful enough to change everything... Thirty thousand Japanese gamers awake one day to discover that the fantasy world of Elder Tales, an MMORPG that was formerly their collective hobby, has become their cold hard reality. Severed from their everyday lives, they confront a new horizon filled with ravenous monsters, flavorless food, and the inability to die! Amid the chaos, veteran gamer Shiroe gathers his friends, the guardian Naotsugu and the assassin

Akatsuki, and together they embark on an adventure to change the world as they know it! "Students of the prestigious Tokyo Metropolitan Advanced Nurturing High School are given remarkable freedom--if they can win, barter, or save enough points to work their way up the ranks! Ayanokoji Kiyotaka has landed at the bottom in the scorned Class D, where he meets Horikita Suzune, who's determined to rise up the ladder to Class A. Can they beat the system in a school where cutthroat competition is the name of the game? " I used to be a normal high school

girl but in the blink of an eye, I woke up in a place I've never seen before and--and I was reborn as a spider?! How could something that's nothing more than a tiny spider (that's me) possibly survive in literally the worst dungeon ever? Are there no rules? There should be some rules! Who the hell is responsible for this? SHOW YOUR FACE! A War Without CasualtiesThe Republic of San Magnolia has long been under attack from the neighboring Giadian Empire's army of unmanned drones known as the Legion. After years of painstaking research, the Republic finally developed

autonomous drones of their own, turning the one-sided struggle into a war without casualties-or at least, that's what the government claims. In truth, there is no such thing as a bloodless war. Beyond the fortified walls protecting the eighty-five Republic territories lies the "nonexistent" Eighty-Sixth Sector. The young men and women of this forsaken land are branded the Eighty-Six and, stripped of their humanity, pilot the "unmanned" weapons into battle... DON'T JUDGE AN ORC BY HIS ACCOLADES Long ago, as the fires of war raged among the twelve races, one name

inspired fear and awe in the heart of every orc—Bash. A living legend to his people, Bash has enjoyed many a blood-soaked victory. But this Hero harbors a shameful secret. Though it is the pride of every orc to match his triumphs in battle with conquests in the bedroom, Bash has been entirely devoted to the former. Thus, he embarks on a journey to face his greatest challenge yet: finding a wife and losing his virginity! Modern mages, known as Mage-Knights, materialize their souls as armaments. Attending a school for Mage-Knights is Ikki Kurogane, a failed knight—the

Worst One. One day, he is challenged by Stella, a Rank A knight, to a duel, putting lifelong servitude on the line. What Ikki lacks in magical power, however, he makes up for with his unorthodox mastery of the sword, leading him to victory! "I'll do it! Make me do whatever you want! Stupid creep!" Though she regrets her defeat, Stella begins to fall for Ikki. Meanwhile, in the battle for the top of the knight world, the Worst One begins to grab the attention of every Mage-Knight out there, becoming known as Another One! The curtain rises on Ikki's school-based, sword-action

underdog tale as he cuts through one powerful foe after another! © Riku Misora / illustrations © WON / SB Creative Corp. Prepare for a full dive! Even in the future, all the advances and innovation in the world can't change the dynamics of the school playground. And for Haruyuki Arita, a fat kid in junior high, that means he's destined to always be at the bottom of the food chain, prime pickings for the school bullies. But when he is approached by Kuroyukihime, a beautiful and aloof upperclassman, Haruyuki's life is turned on its head as he dives into Brain Burst, a mysterious

computer program, and the Accelerated World with her help. It's in the Accel World that Haruyuki casts off his depressing reality and takes hold of the chance to become a Burst Linker, a knight to protect his princess! It's not about the destination... What's your favorite story? Does it have a hero who slays a dragon and saves a princess? Or a child of prophecy destined for greatness? Well, my favorite story is a little different. It's the tale of a witch who travels the world, seeking nothing in particular. With no quest of her own, she's free to wander wherever the wind takes her,

adding a few pages to the story of whomever she meets before setting off on her next adventure. At the end of her travels, the witch takes on an apprentice who will one day begin her own journey. And so the cycle continues, or so the story goes. Now, the witch who starts the story anew...who could she be? Always being a gun to a sword fight! With world domination nearly in their grasp, the Supreme Leaders of the Kisaragi Corporation-an underground criminal group turned evil megacorp-have decided to try their hands at interstellar

conquest. A quick dice roll nominates their chief operative, Combat Agent Six, to be the one to explore an alien planet...and the first thing he does when he gets there is change the sacred incantation for a holy ritual to the most embarrassing thing he can think of. But evil deeds are business as usual for Kisaragi operatives, so if Six wants a promotion and a raise, he'll have to work much harder than that! For starters, he'll have to do something about the other group of villains on the planet, who are calling themselves the "Demon Lord's Army" or whatever. After all, this world doesn't need two

evil organizations! A vampiric romantic comedy...? After a lifetime of hardship due to a curse placed on him by his grandfather, all Ryouta wants is to be left alone. However, when he wanders into the mountains to find some peace and quiet, instead he finds a town taken over by vampires! To make matters worse, one of its residents, a haughty (and rather eccentric) girl, soon sets her sights on him with the goal of making him her servant. Now, Ryouta has a choice to make--escape back to his old life in Japan or live out his days as the minion of Shiren Fuyukura in the quirky town of Akinomiya. An

absurd new adventure from the author of I've Been Killing Slimes for 300 Years and Maxed Out My Level! What do you do when your favorite game shuts down? Momonga decided to stay logged in right up until the very end. But when the servers go dark, he finds himself transported into the game world--and he's been transformed into his skeletal avatar from the game, awesome magical powers included! But what if he's the villain of his own story? In Orario, fearless adventurers band together in search of fame and fortune within the monstrous underground

labyrinth known as Dungeon. But while riches and renown are incentive enough for most, Bell Cranel, would-be hero extraordinaire, has bigger plans. He wants to pick up girls. Is it wrong to face the perils of Dungeon alone, in a single-member guild blessed by a failed goddess? Maybe. Is it wrong to dream of playing hero to hapless maidens in Dungeon? Maybe not. After one misguided adventure, Bell quickly discovers that anything can happen in the labyrinth--even chance encounters with beautiful women. The only problem? He's the one who winds up the damsel in

distress! A bouncy light novel series about a girl transported to her favorite video game world with her magical bearsuit equipped--and don't miss the adorable manga version, also published by Seven Seas! (Now an anime!) A dedicated gamer and antisocial shut-in downloads an update to her favorite fantasy RPG--only to find herself sucked into the game world for real. Reset to level one and equipped with only a cute bear onesie that grants her impressive abilities, Yuna sets out to explore her new reality--even though the fact that she can't seem to take the bearsuit off gives her paws, er,

pause!
