Retuar , is also know as Letuama (Tanimuca-Retuar , Retuama, Letuhama, Ufaina, Uair ) is a member of the central Tucanoan language family and is closely related to Tanimuca. Though the Retuar and Tanimuca peoples consider themselves as separate groups, they speak the same language with slight lexical differences. Their location is in widely distributed areas of the Amazon Basin in southeastern Colombia has brought them into contact with other Tucanoan and Arawakan languages resulting in some grammatical variations. Besides a brief phonological sketch and description of various aspects of the Retuar language, the study presents a detailed discussion of parts of the speech, the noun phrases, case, the verb phrase, adverbs, sentence structure, imperatives, questions, negation, subordination, and various elements of discourse. A Student Grammar of Spanish, first published in 2006, is a concise introduction to Spanish grammar, designed for English-speaking undergraduates. Assuming no prior knowledge of grammatical terminology, it explains each aspect of Spanish grammar in clear and simple terms, provides a wealth of glossed examples to illustrate them, and helps students to put their learning into practice through a range of fun and engaging exercises. Clearly organized into thirty units, each covering a different aspect of the grammar, the book functions both as an essential reference guide and a comprehensive workbook. Individual topics can be looked up via a user-friendly cross-referencing system, and concise definitions are provided in

a useful glossary of grammatical terms. The exercises, which include paired and group activities, are suitable for both classroom use and self-study. Each unit is split into two levels, basic and intermediate, making this grammar the perfect accompaniment to any first or second year undergraduate course. From the 12th-century Cantar de Mío Cid to the 20th-century poetry of Garcia Lorca, Salinas and Alberti, this book contains 37 poems by Spain's greatest poets. Spanish texts with literal English translations; biographical, critical commentary. This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish indicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Answer key available for download from the "features" tab on the publisher's website:

[The book] is intended to meet the need for a text to accompany the Advanced Placement Spanish Lanugae course. The overall goal ... is to prepare students to perform at a high level of proficiency in the four basic language skills: listening, speaking, reading and writing. Upon completing the course, students are expected to be able to comprehend formal and informal Spanish, and also speak, read and write cohesively and precisely at the third-year college level. [The authors] have attempted to create a series of exercises that will both meet the general objectives of the course and help the students prepare for the Advanced Placement examination ... Although geared primarily to the AP course and examination, the book is also intended to provide an opportunity for advanced learning. The exercises are desgined not only to review and reinforce students' knowledge, but also to increase their vocabulary and sharpen their grammatical skills. [The book] can be used as a complementary text in any advanced course in Spanish.-Intro. As founders of The School for Young Children, C.E. Wolfgang (Florida State U.) and M.E. Wolfgang (Tallahassee Community C.) offer theoretical grounding for the survival skills needed by beginning teachers facing 3- to 5-year-olds.
