SAP Certified Application Associate - Strategic Planning (DP/SNP) in SAP APO 7.0 These questions are similar to the ones asked in the actual Test. How should I know? I

know, because although I have been working as an SAP Logistics Consultant for many years, I have myself recently certified with the latest version of the Application Associate Certification test. Before you start here are some Key features of the SAP Certified Application Associate - Strategic Planning (DP/SNP) in SAP APO Certification Exam. This certification path will validate your capability as a well-trained consultant prepared to help your client or employer manage and execute key business processes. This certificate proves that the candidate has the required understanding within this consultant profile, and can implement this knowledge practically in projects under guidance of an experienced consultant. The exam is Computer based and you have 180 minutes to answer 80 Questions. The Questions are (mostly) multiple choice type and there is NO penalty for an incorrect answer. Some of the Questions have more than one correct answer. You must get ALL the options correct for you to be awarded points. For questions with a single answer, the answers will have a button next to them. You will be able to select only one button. For questions with multiple answers, the answers will have a 'tick box' next to them. This allows you to select multiple answers. You are not allowed to use any reference materials during the certification test (no access to online documentation or to any SAP system). Clearing the Certification will not automatically lead you to a job. However a Certification with some project experience will certainly open a lot of doors for you.
