Sixteen magnificent illustrations portray these graceful ladies wearing lovely robes, playing musical instruments, carrying flowers, and more. Color each portrait and place near a bright light to bring these charming figures to life. Relax and unwind as you color a stunning variety of flower-filled landscapes. Forty-six scenes present roses, tulips, sunflowers, succulents and more as well as dozing cats, majestic mountains, bubbling waterfalls, and the occasional garden gnome. It's easy to achieve realistic effects with the help of lightly printed numbers that correspond to a simple color key. Pages are perforated and printed on one side only for easy removal and display. Specially designed for experienced colorists, Glorious Gardens Color by Number and other Creative Haven® adult coloring books offer an escape to a world of inspiration and artistic fulfillment. Each title is also an effective and fun-filled way to relax and reduce stress. The original adult coloring book! A New York Times bestseller when it was originally published in 1961, The Executive Coloring Book is crashing the adult coloring book party with its subversive humor. "This is me. I am an executive. Executives are important. They go to important offices and do important things. Color my underwear important." So begins the dangerously funny classic, The Executive Coloring Book. Originally published more than fifty years ago, this brief and brilliant coloring book skewers the early sixties executive set. If Mad Men made them look glamorous, The Executive Coloring Book casts them in a different hue and invites everyone in on the joke. Wolves, grizzlies, beluga whales, and other awesome creatures roam their native habitats in this fun-to-color collection of 30 accurately rendered drawings. This unique painting and coloring book offers a fun and easy way to get into a creative flow and wash away stress. Printed on luxe watercolor paper excellent for paints, marker, pencil, or any coloring medium, the bold ink outlines from celebrated stationer Linda & Harriett become vivid, frame-worthy works of art with just a few splashes of color. A sturdy backing board makes it easy to work on any surface, while single-sided removable pages are perfect for easily sharing or displaying finished pieces. All of your favorite things in one coloring book! Free Period Press brings you pages of dancing tacos, sleepy sloths, raccoons in space and everything else that makes your brain say "Squeeeee!" Turn off the world around you with Distractables: A Super Cute Very Nice Coloring Book. 41 uniquely illustrated designs One-sided for no bleed-through 8" x 10" Coloring books became a thing when adults discovered how relaxing and meditative they were. Jigsaw puzzles roared back into popularity as an immersive activity, not to mention a great alternative to television. How exciting is it, then, to introduce an activity that tops them both: reverse coloring, which not only confers the mindful benefits of coloring and puzzling but energizes you to feel truly creative, even when you're weary and just want to zone out. It's so simple, yet so profoundly satisfying. Each page in The Reverse Coloring Book has the colors, and you draw the lines. Created by the artist Kendra Norton, these beautiful and whimsical watercolors provide a gentle visual guide so open-ended that the possibilities are limitless. Trace the shapes, draw in figures, doodle, shade, cover an area with dots. Be realistic, with a plan, or simply let your imagination drift, as if looking a clouds in the sky. Each page is an invitation to slow down, let go, and thoughtfully (or thoughtlessly) let your pen find its way over the image. The Reverse Coloring Book includes 50 original works of art, printed on sturdy paper that's single-sided and perforated. And unlike with traditional coloring books, all you need is a pen. This unusual coloring book features many common and exotic seashells. They're interwoven with images of gulls, starfish, seahorses, crabs, and other marine creatures in 30 full-page illustrations of fanciful patterns. This coloring book brings to life the magic and impact of organic chemistry for children and adults alike. With more than 25 pages to color, kids will have fun and even learn some science too! The molecules featured in this book include sucrose, aspirin, caffeine, cellulose, proteins, and many more. This educational coloring book was created by two children, with the help of their father, a UCLA Chemistry Professor. "This coloring book brings the unbridled curiosity of a young mind together with the wonders of our molecular world in ways that will surely inspire discovery, fun, and perhaps a lifelong appreciation of the ubiquity and impact of chemistry" -Professor Paul Wender (Stanford University) Physiology Coloring Workbook is a breakthrough approach to learning and remembering the body's processes. Written and illustrated by experts who are both research scientists and teachers , it features 250 striking, original illustrations that will give students a clear and enduring understanding of physiology. Learning interactively, through coloring, thoroughly fixes physiological concepts in the mind and takes less time than memorizing from textbooks. Physiological processes are fully explained, and complex subjects are approached through the gradual introduction of simple drawings. The authors employ a logical and consistent use of color to convey invormation; for example, arterial blood is always red, whereas venous blood is blue, and capillary blood is violet. Each lesson includes clearly displayed labels and specific coloring instructions. This book is an invaluable and lasting resource for students in disciplines including anatomy and physiology, biology, nursing, physical therapy and rehabilitation, medical technology, nutrition, physical education, allied health and health sciences. The 250 plates in the book are organized in the following sections: Homeostasis The Cell Transport Mechanisms Nervous System Muscle Cardiovascular System Renal System Respiratory System Gastrointestinal System Metabolism Endocrine System Reproduction This creative 18-month planner features monthly and weekly calendar views, and inspirational quotes and images to color in as the days pass by. Every spread in this 18-month planner—covering July 2021 to December 2022—includes an inspirational quote and an image to color. When you start your week off with a relaxing coloring activity instead of the dreaded Monday blahs, you'll soon find your mood improving in everything you do—whether at work, play, or a quiet evening at home. This powerful activity book will engage hands, hearts, and minds as it introduces children to the guiding principles of the Black Lives Matter movement. When the Black Lives Matter movement began in 2013, the three founders--Alicia Garza, Patrisse Khan-Cullors, and Opal Tometi--anchored its work in a list of guiding principles, developed through conversation with other activists. These principles commit the movement to empathy, loving engagement, and just action among its participants; affirm the importance of Black women, families, elders, and LGBTQ folk; and celebrate the strength and diversity of Black people in their communities and around the globe. Now young people can explore these powerful principles in *What We Believe: A Black Lives Matter Principles Activity Book*. Created by two teachers with more than thirty-five years of educational experience between them, the book presents the guiding principles in down-to-earth, child-friendly language, with each principle accompanied by writing prompts, space for children or adults to create their own reflections, and a coloring page. Supporting materials guide adults in sharing the principles with children and encourage kids to dream big and take action within their communities. An essential resource for anyone discussing racial equity with young people, *What We Believe* offers a beautiful and inspiring lens on the most important social justice movement of our time. Lee & Low Books will donate a portion of its proceeds from the book to the Black Lives Matter Global Network Foundation, Inc.
