When you're trying to manage a busy family, it's easy to lose sight of the things that really matter and feel like you're drowning in worries while the pennies are drowning away. So many of us feel we have to pretend to be wealthier than we are and try to hide it when we can't afford something. Why though, when we are all sharing what we had for our tea and how many press ups we did that morning on social media, can't we be more honest about our finances? Why is there still so much shame and secrecy about being a bit strapped for cash, or in debt? I feel really strongly that it has got to change, and I'm here to get you through it.. I want to empower women and girls to take responsibility for their own financial futures. To have those difficult conversations and do the uncomfortable maths, because believe me one day you will be so glad you did. From starting small and making little changes to your everyday habits, through building a second income into your lifestyle, to going for the big goals in your life that you might think are out of your reach - this book will help you reboot your finances one money tip at a time. Because money isn't a

secret recipe that only rich people know, it's a mindset and an attitude that anyone can have. And Money Mum is here, as always, to show you how. You are getting married and want a beautiful, memorable event, yet you need to stick to a tight budget. Don't despair! There are hundreds of proven ways to have your dream wedding without breaking your budget. The average cost of a wedding in the United States is approaching \$30,000, a 73 percent increase since 1992, according to a recent study. What's astonishing is how quickly all the other smaller expenses those you don't immediately think of add up. The stationery, invitations, announcements, thank-you notes, postage, make up, hair stylist, limousines, menus, and so on, not including the cost for an engagement party, rehearsal dinner, gifts, honeymoon, engagement ring, and bridal consultant or wedding planner. Just imagine

what you could do if you could save \$30,000 as you start out your new life together. Whether your budget is \$1,000 or \$50,000, in this easy to read and comprehensive book you will learn hundreds of simple ways to cut down on your wedding expenses without serving a roomful of guests hamburgers and hot dogs at your reception. Reducing your wedding costs doesn't have to mean plastic forks and pitching a tent on your aunt's front lawn. This new book will teach you hundreds of insider secrets to nip the overcharges out of your wedding budget. The author tackles invitations, facility, catering, gifts, bar-liquor, tables and chairs, decorations, napkins, centerpieces, flowers, limousine, dishes and glasses, music, candles, photography, videographer, ring pillow, linens, guest favors, tents, dance floor, cake, matches, place cards, thank you notes, and dozens more. How to pay off your mortgage in 6 to 8 years: Wealth habits of the rich that will save you thousands By Joe Correa Learn from an industry expert as he teaches you the secrets behind paying off your mortgage debt sooner and saving thousands in the process. His unique approach towards eliminating debt will change how you look at debt and how you can make a change for the better. Paying off your mortgage can be one of the hardest things you will ever have to do but learning how to pay it off sooner will save you thousands over time. This is an important decision when trying build wealth and organize your home finances. If you don't know how to get started this book has the solution. It's full of valuable ideas and examples that others have used to eliminate their mortgage debt in just a few years. You will learn how to

minimize expenses and plan your pay off strategy in an organized and practical manner. What do banks offer as a solution? Most banks only give you one option which is basically to send your payment every month for the next 30 years. Yes, you will have paid off your mortgage by then but there's a better way. A faster way and easier way that requires simply planning for what needs to be done. Why is paying off your mortgage important? Having a 30 year mortgage can be a blessing and a headache at the same time. Most people finance their first home while in their 30's which means they will finish paying off their mortgage in their 60's if not later. When you finally pay it off, you will have eliminated one of your largest monthly payments and you can now start saving a lot more than before. Guess what? You are around retirement age or coming close to it so what will happen to your income? For some, it will remain the same. For others, it will decrease slightly. And for many, it will disappear and you will have to live off your retirement savings for however long they last. Having less expenses sooner than later will equate to more savings for years to come and having less payments to make will reduce the financial burden when you have retired. Taking proactive steps towards paying off your mortgage sooner will change your life. It will allow you to free up time to do what you really want to do and work less. Pay off your mortgage and start living the life you have always wanted!

Money scarce in your business? Need to do more with less whether the economy or your business is good or bad? *Stretching A Dollar To Save and Make Thousands* provides money-saving techniques that will quickly grow and promote your business no matter the size of your organization or how much money you have or lack. Author Lisa Sims shares her proven money-saving strategies in the following areas: * Marketing * Technology * Taxes * Administrative Issues * And More... What are you waiting for? Start stretching a dollar today! While other books give advice about money markets and outwitting the stock market, *Saving Money with the Tightwad Twins* gives advice to the struggling woman on a really, really tight budget. She is the forgotten woman of "little time and no dime." She may be single, married, a career woman or a stay-at-home mom, but whoever she is, she is looking for easy ways to

organize her life and save money. In this no-nonsense book by identical twin sisters Ann Fox Chodakowski and Susan Fox Wood, the Tightwad Twins, women will learn how to reduce or eliminate bills and manage and organize their homes. This "common cents" knowledge will revolutionize the way women look at money; for instance nearly everything can be recycled: Make a coffee table from an old window, door or board. Add bricks or flowerpots for legs. Cut a slit in the shape of an X in an empty prescription bottle for a traveling toothbrush holder. Use soda-pop can tabs for picture hangers. Glue to the back of picture frame with just the top of the clip showing so as to nail easily to the wall. A candle placed in a cheese or vegetable grater looks fabulous at night. Tie the top with a red ribbon to make it even more festive. The tightwad twins also timesaving forms, quick-and-easy recipes for no-fuss, cheap meals, and lists of organizations that give away freebies. In no time at all, readers will reap the benefits of thriftiness and find time to enjoy their newfound financial freedom. "These twins really know their stuff!" - Maury Povich "The twins are masters at saving money." - The National Enquirer "These twins do a great job: humorous, but insightful on ways to save money and reuse everything!" - Crook and Chase It's no secret that college doesn't prepare students for the real world. Student loan debt recently eclipsed credit card debt for

the first time in history and now tops one trillion dollars. And the throngs of unemployed graduates chasing the same jobs makes us wonder whether there's a better way to "make it" in today's marketplace. There is—and Dale Stephens is proof of that. In *Hacking Your Education*, Stephens speaks to a new culture of "hackademics" who think college diplomas are antiquated. Stephens shows how he and dozens of others have hacked their education, and how you can, too. You don't need to be a genius or especially motivated to succeed outside school. The real requirements are much simpler: curiosity, confidence, and grit. *Hacking Your Education* offers valuable advice to current students as well as those who decided to skip college. Stephens teaches you to create opportunities for yourself and design your curriculum—inside or outside the classroom. Whether your dream is to travel the world, build a startup, or climb the corporate ladder, Stephens proves you can do it now, rather than waiting for life to start after "graduation" day. Want to save thousands without feeling like you're cutting corners? Find the hidden dollars in your daily routines? Live happily on a smaller budget? With tips, tricks and ideas that range from long-term savings to instant cash in your pocket, *397 Ways to Save Money* makes living within a budget easy—and even fun. Save Me a Seat joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Joe and Ravi might be from very different places, but they're both stuck in the same place: SCHOOL. Joe's lived in the same town all his life, and was doing just fine until his best friends moved away and left him on his own. Ravi's family just moved to America from India, and he's finding it pretty hard to figure out where he fits in. Joe and Ravi don't think they have anything in common -- but soon enough they have a common enemy (the biggest bully in their class) and a common mission: to take control of their lives over the course of a single crazy week. Consumers who are building or renovating their homes can save substantial time and money simply by contracting the work themselves.
